OPEN NOSTRILS! END A COLD OR CATARRH

How To Get Relief When Head
and Nose are Stuffed Up.

Count fifty! Your cold in head or
catarrh disappears. Your stuffed nos-
trils will open, the air passages of your
head will clear and you can breathe
freely. No more sniffling, hawking,
mucous discharge, dryness or headache;
no struggling for breath at night.

Get a small bottle of Fly's Cream
Balm from your druggist and apply a
little of this fragrant antiseptic cream
in your nostrils. It penetrates through
every air passage of the head, soothing
and healing the swollen or inflamed
mucous membrane, giving you instant
relief. Head colds and catarrh yield
like magic. Don't stay stuffed up and
miserable. Relief is sure.

KRYPTOK LENSES

What would Mother like best for
Christmas? Does she have to sacri-
fice knitting and reading in the eve-
ning? Is she enduring the inconve-
nience of wearing two pair of glasses
or changing pairs between close and
far seeing? Why not get her a pair
of Kryptok, the invisible bifocal
glasses, which will bring back the
close and far vision of her girlhood.
The comfort, convenience and appear-
ance will surely make her happy!
