High Water at Silverton—

The deluge of rain is filling up the low parts of the land all over the valley. Mr. W. R. LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody will Know.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

MAZOLA

THE Food Administration's plans for saving butter, lard and suet—the housewife's desire to get the most and the best out of every dollar—these are the main reasons for using Mazola, the pure and wholesome vegetable oil.

Mazola makes fried food deliciously crisp and easy to digest—free from greasiness or sogginess.

And it is so much more economical than butter, lard or compounds as it can be used over and over again—does not transmit taste or odor from one food to another.

You can be sure of the purity of Mazola since it comes from an edible source—golden American corn.

Use Mazola for deep frying, sautéing or shortening and you will find that foods retain all of their natural flavor.

And if you want an especially delicious French dressing or mayonnaise, make it with Mazola.

Get Mazola from your grocer in pint, quart, half-gallon or gallon tins. The large sizes give greatest economy. Also ask for the free Mazola Book of Recipes or write us direct.

Your money refunded if Mazola does not give entire satisfaction.
