### New Officers Strut About Camp Lewis

CAMP LEWIS, Dec. 20.—New officers and embryo officers are seen in the sunlight at Camp Lewis today. A total of 500 new officers, practically all of them wearing uniforms, whose business fairly shouts that they finished the second series of officers' training camps, have arrived within the last two weeks, and are being rapidly assigned to commands with the national army forces. Some of these men are to be organized into a new training battalion for advanced work with a view to making them commanders when the second draft men come to camp.

### DRUGS EXCITE YOUR KIDNEYS, USE SALTS

If your Back is aching or Bladder bothers, drink lots of water and eat less meat.

When your kidneys hurt and your back feels sore, don't get wared and proceed to load your stomach with a lot of drugs that excite the kidney and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidney is to filter the blood. In 24 hours they strain from it 600 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will set fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

Christmas Candles are better when they come from a regular candy store. The confectioner who deals exclusively in sweets knows your wants and is prepared to meet them.

### Young American General Will End the War in 1918

NEW YORK, Dec. 21.—The war will end in September, 1918, after an American general has done "wonderful things" on the French front, according to a Chinese prediction just received here.  
Parish-Watson and company, Chinese art importers, 560 Fifth Avenue, received a large "Tang" jar valued at \$5000 last week. The jar was made about 1000 years ago. When it was unpacked, a piece of blue paper was found at the bottom upon which were four rows of Chinese characters which when translated read:  
"Some day one American young and famous general will achieve wonderful things in the front of France."

and this great world war will be ended in September, 1918." It is supposed the prediction was made by some Chinese scholar or philosopher, and was placed in the jar before it was packed for shipment at Hankow, China, last summer.
