The hospitable home of Dr. and Mrs. W. H. Davis was the scene of a pleasant affair on Wednesday evening, when the members of the P. O. Sisterhood entertained with a Christmas party for their families. An elaborately festooned Christmas tree, laden with many clever and appropriate gifts, was the center of attraction, until a program was given as another interesting feature. A piano selection by Hubert Fortmiller, piano selection by Miss Mary Davis, violin solo by Edward Fortmiller, piano selections by Miss Evelyn Bennett, and several Mother Goose rhymes carried out in pantomime were greatly appreciated by the guests. A light supper was later served. Rev. and Mrs. George H. Bennett and Miss Evelyn Bennett were complimented at this time.

Miss Josephine Turner, a charming bride-elect, was the motif for a supper party for which a group of girls were hostesses last night at the home of Miss Janet Dawson on Broadbald street. The table decorations were prettily and effectively carried out with Christmas greenery, places being marked for the Misses Josephine Turner, Lucille Snyder, Mae Hallack, Beatrice Sanders, Carolyn Wright, Lee Fortmiller, Thelma Richards, Hazel Ross, Ruth Livingston, Mrs. James Ewing, Corintha Hart and Janet Dawson. Later in the evening the girls repaired to the living room where a Christmas tree was enjoyed and the gifts distributed.

A dancing party was given by the Pythians on Wednesday evening at their hall. Hubert's orchestra furnished the music and punch was

served during the evening, making this a most enjoyable affair.

In every way an enjoyable affair was the party given on Thursday evening at the home of Mr. and Mrs. A. B. Wilson, when the members of the Caterie club were hostesses for the pleasure of their husbands. A covered dish supper was first enjoyed around a table adorned with a floral centerpiece, and other dainty appointments. The rooms were gay with crepe paper Santa Claus, fir boughs and a Christmas tree, from which were hung many comical gifts. The opening of these various bundles caused a great deal of merriment. Games and cards were the other diversions of the evening.

The Caterie club met with Mrs. Homer Moore yesterday afternoon at her home at North Albany. The guests made the trip in cars, nearly all of the members being present.

A social hour was enjoyed by the Pythian Sisters after their meeting on Tuesday. A large crowd was present at this time.

The H. D. W. club met for a delightful afternoon on Wednesday, when Mrs. Anthony Austin presided

as hostess at her home. A Christmas tree attractively adorned was a feature of the decorating and during the afternoon many gifts were exchanged. The Misses Vera and Laura Thoms gave a greatly enjoyed dinner. Little Miss Louise Harsky sang a vocal selection, and Albert Warner gave a recitation, after which refreshments were served, bringing to a close the pleasant social time.

For the pleasure of Dr. E. E. Beardschamp, who will soon leave for the east to spend six months in the advanced study of medicine, a crowd of his friends surprised him at his home on Thursday evening. Games, contests and refreshments combined to make a jolly evening. The guests included Mr. and Mrs. Orrin Anderson, Mr. and Mrs. O. D. Byers, Mr. and Mrs. Severs, Mr. and Mrs. C. W. Rootschies, Mr. and Mrs. Ansel Wilson, Mr. and Mrs. Sears, Mr. and Mrs. H. M. Sloan, Mr. and Mrs. W. C. McLagan, Dr. and Mrs. F. E. Beardschamp.

### Clear, Peachy Skin Awaits Anyone Who Drinks Hot Water

Says an inside bath, before breakfast helps us look and feel clean, sweet, fresh.

Sparkling and vivacious—merry, bright, alert—a good, clear skin and a natural, rosy, healthy complexion are assured only by pure blood. If only every man and woman could be induced to adopt the morning inside bath, what a gratifying change would take place. Instead of the thousands of sickly, anemic-looking men, women and girls, with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," "rundowns," "brain fags" and pessimists we should see a virile optimistic throng of rosy-cheeked people everywhere.

An inside bath is had by drinking each morning, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening, and freshening the entire alimentary canal before putting more food into the stomach.

Those subject to sick headache, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle, but is sufficient to demonstrate the quick and remarkable change in both health and appearance, awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood while the pores in the thirty feet of bowels do.

### DRINK HOT WATER IF YOU DESIRE A ROSY COMPLEXION

Says we can't help but look better and feel better after an inside bath.

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material, which if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire alimentary tract, before putting more food into the stomach.

Men and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spells, acid stomach, or constipation should begin this phosphate hot water drinking and are assured of very pronounced results in one or two weeks.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood as the bowel pores do.

Probably the most enjoyable of this week's affairs was the theatre party and banquet with which Hugh Hammerly entertained the Democrat and Telegram carrier boys on Thursday evening. After visiting the Globe theatre, the crowd repaired to the Imperial Cafe for supper. Enjoying this were Ralph Swanson, Ralph McDaniel, Lloyd Gilbert, Carrol Wallack, Glen Cole, Walter Hodgkins, Kenneth Ross, Herman Stedel, Earl Horning, Edward Humphrey, Ansel Egan, Ralph Bloom, Mason McDerwitt and the host.

The Old Fellows and Rebekahs jointly held a jolly social last night in their hall. Lavish decorations were used, of ferns, holly and fir boughs; and a Christmas tree in gala attire bore gifts for all. A covered dish supper, program and social time were enjoyed.

Mrs. U. G. Smith was hostess on Thursday to the Rural Ladies' club at her attractive country home. Holly and other decorations appropriate to the season were used about the rooms and the afternoon was passed with fancywork and completed with refreshments.

Tonight the Beta Gamma girls will be the guests of Miss Velma Anthony for a Christmas party. A prettily-decorated tree will bear many gifts, and a jolly time is expected. Light refreshments will be served at a late hour.

Miss Emmadine Curry was hostess for the junior basketball team of the high school at a covered dish supper at her home in West Albany last Thursday evening.

This was an extraordinary event as two ex-captains and the captain of this year's team were all present. Toasts were given by the captain, Adra Perfect, followed by the other members of the team. Seated around the well-appointed table were ex-Captain of 1915, Lucille Longbottom; ex-Captain of '16, Gertrude Braden; Evelyn Collins, Frances Willard, Vera Combs, Henrietta Vollstedt, Trassie Case, Adra Perfect, and the hostess, Emmadine Curry. After spending a jolly time they attended the final championship game between the junior and sophomores.

The Alpha Nu club was pleasantly entertained on Friday evening, the hostess being Miss Kamilla Kroschell. Holly, mistletoe and other greenery suggestive of the season was used in decoration. Games, music and knitting were the diversions, followed by refreshments.

The North Albany Thursday club held a pleasant and profitable meeting with Mrs. Henry Schoel as hostess.

The ladies brought Christmas sewing and knitting. The discussion of timely topics, interspersed with music, made up the program for the afternoon.

A most delightful affair of Friday afternoon was given by Mrs. Bert Westbrook in her apartments at the

Hotel Albany, when she entertained the lady guests living at the hotel. Christmas decorations of holly and mistletoe were effectively used, and the afternoon was passed pleasantly with fancywork and knitting. Later the guests repaired to the private dining room, where elaborate refreshments were served at the table which was centered with an attractive holly piece. The guests included Mesdames M. W. Aldrich, G. O. Doppelmaier, A. J. Van Waning, C. E. Munro, J. B. Compton, C. Jones, Miss Isabel Van Waning, and the hostess.
