If your eggs cost more than ten cents a dozen **CUT THEM OUT!**

**USE EGAHO POWDER!**

A ten-cent packet equals one dozen eggs in baking the things requiring eggs and corn starch!

**BUT BE SURE IT IS EGAHO POWDER**

Be sure that the 10-cent packet is neatly constructed of heavy paper, and my portrait printed on the outside. My 25-cent package equal to three dozen eggs, is put up in a cardboard box, and likewise contains my portrait. Full directions for using the powder will be found on the inside.

**A FRAUDULENT POWDER IS BEING SOLD**

The vendors claiming it to be EGAHO POWDER! Beware of it. EGAHO POWDER is manufactured under serial 101947, is pure and healthful, and is sold in nearly all Portland food stores and throughout this and adjoining states. It is guaranteed to be as represented, and the public ought to help me put a stop to the frauds by furnishing me the evidence to convict them in court. My address is 802 East Sixth street North, and my telephone Woodlawn 443. Agents wanted for outside territory.

EGAHO POWDER was AWARDED FIRST PRIZE at the PURE FOOD SHOW held in Portland recently for being the PUREST and WHOLESOMEST on the market.
