Ford

THE UNIVERSAL CAR

It's no longer necessary to go into the details describing the practical merits of the Ford car—everybody knows all about "The Universal Car." How it goes and comes day after day and year after year at an operating expense so small that it's wonderful. This advertisement is to urge orders without delay prospective buyers to place as the war has produced conditions which may interfere with normal production. Buy a Ford car when you can get one. We'll take good care of your order—get your Ford to you soon as possible—and give the best "after-service" when required.
