Knox Butte Notes

KNOX BUTTE, Jan. 14.—(Special
to the Democrat)—Mrs. Zela Howard
and little daughter of Albany, returned
home Friday afternoon after a few
days' visit with Mrs. Howard's grand-
parents, Mr. and Mrs. W. T. Cary.
Quincy Propst visited this week
with Mr. and Mrs. Chas. Reynolds
in Lebanon.

Mr. and Mrs. Marsh Allen returned
Tuesday evening from Philomath,
where they went on business.

Sam Knox recently purchased some
registered Holstein cows and some
excellent grade Jerseys from near
Portland.

Ferris Williams visited several days
this week with his parents, Mr. and
Mrs. J. Williams. He returns to Ft.
Canby Friday.

Mrs. M. Stott, who has visited sev-
eral weeks with her daughter, Mrs.
Sam Knox, left Tuesday morning for
California, to spend the winter.

Fred Hanford went to Oregon City
this week on business.

The revival meetings which have
been held the past three weeks closed
with the Sunday services. The
services were held in the Harmony
Grange hall, the two last weeks, the
hall being more convenient.

Nearly all the farmers in this vicinity
are shipping their milk to the
Scio Condenser. The returns are
most satisfactory.

Several farmers are shopping wood
while they are waiting for farming
weather.

**STEAMER HAS FOUR HOUR
BATTLE WITH U-BOAT**

WASHINGTON, Jan. 12.—(U. P.)
—The steamer Luckenbach, which
was reported sunk, reached port in a
crippled condition. She had a four
hours' battle with a submarine. En-
emy shells exploded in the gun crew
quarters, burst the fire main and put
the aft gun out of commission.

Honey and syrups instead of su-
gar will make victory just as sweet
ad bring it sooner.

**TO LINN COUNTY
SCHOOL BOARDS**

This is to announce that I
am making Albany my head-
quarters and will be pleased to
call on you at any time regard-
ing school furniture and sup-
plies.

**Hot Water for
Sick Headaches**

Tells why everyone should drink
hot water with phosphate
in it before breakfast.

Headache of any kind, is caused by
auto-intoxication—which means self-
poisoning. Livers and bowels poisons
called toxins, sucked into the blood,
through the lymph ducts, excite the
heart which pumps the blood so fast
that it congests in the smaller arteries
and veins of the head producing violent,
throbbing pain and distress, called
headache. You become nervous, de-
pendent, sick, feverish and miserable,
your meals sour and almost nauseate
you. Then you resort to acetanilide,
aspirin or the bromides which tempo-
rarily relieve but do not rid the blood of
these irritating toxins.

A glass of hot water with a teaspoon-
ful of limestone phosphate in it, drank
before breakfast for awhile, will not
only wash these poisons from your sys-
tem and cure you of headache but will
cleanse, purify and freshen the entire
alimentary canal.

Ask your pharmacist for a quarter
pound of limestone phosphate. It is in-
expensive, harmless as sugar, and al-
most tasteless, except for a sourish
twinge which is not unpleasant.

If you aren't feeling your best, if
tongue is coated or you wake up with
bad taste, foul breath or have colds,
indigestion, biliousness, constipation
or sour, acid stomach, begin the phos-
phated hot water cure to rid your
system of toxins and poisons.

Results are quick and it is claimed
that those who continue to flush out
the stomach, liver and bowels every
morning never have any headache or
know a miserable moment.

Ford
THE UNIVERSAL CAR

It's no longer necessary to go into the details
describing the practical merits of the Ford car—
everybody knows all about "The Universal Car."
How it goes and comes day after day and year
after year at an operating expense so small that
it's wonderful. This advertisement is to urge
orders without delay prospective buyers to pla-
ce as the war has produced conditions which may
interfere with normal production. Buy a Ford
car when you can get one. We'll take good
care of your order—get your Ford to you soon,
as possible—and give the best in "after-service" w
hen required.

W. W. CRAWFORD, Albany, Oregon.

WHERE GROCERIES ARE SOLD RIGHT

ITALIAN PRUNE TREES

In all grades and a complete line of Fruit, Nut and Ornamental
Trees, Shrubs, Roses, etc., for this season's planting.

Existing conditions insure a continuation of the high prices paid
for Prunes and all Fruit products the past year. Over one and a
half million pounds of Northwest Prunes sold to the Government in
one order. What will bring you better results, and at the same time
aid in the food supply, than an orchard planted on suitable ground
and well cared for? Growing our own trees we can furnish you
good stock at the right price.
