BEDE FOR SENATOR

Elbert Bede, editor of the Cottage Grove Sentinel, is slated for the republican nomination for joint senator from Linn and Lane counties. The republicans of this senatorial district could make no better selection. Mr. Bede is both able and honest, the two qualifications that go to make up a splendid public official.

High Cost of Courting.

All the world may love a lover, but the framers of the new war tax bill adopted a roundabout way of showing their affection, asserts T. F. Logan in Leslie's. The congressional measure to raise additional revenue makes a particularly affectionate assault on the bankroll of the young man who wishes to demonstrate his devotion to a maid. If the object of the youth's passion lives reasonably near him, he may escape the new tax on telegrams and telephone messages that cost less than 15 cents. Every love letter he writes will cost him an additional penny, however, even if he incloses only a single burning poem. If a trip to the theater is planned, courting lovers who live more than 30 miles from the playhouse must give financial assistance to the war on the Hohenzollerns. Actual admission to the theater demands an additional ten per cent on the cost of the tickets. Naturally, the dear girl will wish to make herself par-

Subscribers. If the boys fail to deliver the paper each evening kindly phone to the office. The management invites complaints from its patrons and will do its best to correct faulty service.

LESS MEAT IF BACK AND KIDNEYS HURT

Take a glass of Salts to flush Kidneys if Bladder bothers you—Drink lots of water.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked, get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation. The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney diseases.
