JOHN. M. RUPP DIED

HERE THIS MORNING

John Miller Rupp, aged 65, died this morning at his home in this city. He was born in Alsace, Germany, Nov. 3, 1852. He moved to Canada from Germany and came to America from Ontario ten years ago. He is survived by his wife and four children. Funeral announcement will be made later.

BEN OLCOTT IS IN RACE FOR GOVERNOR

"I shall be a candidate for the Republican nomination for governor at the primary election to be held Friday, May 17," said Ben W. Olcott, secretary of state.

"If I am elected governor, I shall resign the office of secretary of state and thus permit the present governor to appoint my successor."

"This is a time when patriotism calls for the greatest economy and efficiency in the conduct of state affairs. There is urgent need for the application of business principles to state business, from the highest office to the lowest, so those who pay the taxes may get full value for the sums they are contributing to maintain the state government."

"To accomplish this will be the exemplification of practical patriotism, and will meet in state government that which is being urged so strongly upon each citizen of the nation: namely, conservation of all our resources so our full strength may be used in carrying to a successful conclusion the war in which we are now engaged. No deed should be left undone that will aid in winning the war. No sacrifice is too great for those who remain at home."

SHEDD NEWS

SHEDD, Jan. 29.—(Special to the Democrat)—Merl Morgason came to Shedd Friday evening to visit with his aunt and uncle, Mrs. M. C. Coon and Riley Morgason, also his grandpa Morgason. He returned back to Eugene Sunday evening, where he is attending college.

Will Carlton is reported to be some better at this time. He has been very sick during the past three weeks.

Ed Nitzel went to Portland Saturday to try to find out more about Miss Swanson and her whereabouts. He reports so far that she has not been found.

J. M. Dixon left for Portland Sunday to take treatments of a specialist. Mr. Dixon has been ill for some time.

Arthur Robinson and Miss Dorothy Miller, both of Halsey, came to Shedd Sunday noon where they were accompanied by C. C. Arnold to Plainview to a Christian Endeavor rally. Arnold and Robinson returned to Shedd after the afternoon service, leaving Miss Miller in charge of the evening service. She will stay all night and return to Albany the next morning and go to school.

The Boy Scouts of Shedd gave a

basket social last Friday evening in the W. O. W. hall. An interesting program preceded the sale of baskets. It consisted of the stunts in the gymnasium work which the boys are learning in their hall, under the direction of Raymond J. Meers. The Hippodrome Orchestra furnished the music for the program. After the sale of the baskets the society made something over \$50, which was used to pay off the debt on their hall, which is now all paid for but \$2.50. The last report is that the Shedd Scouts is the only society of its kind in the state of Oregon that owns its hall, and every member is proud of it as well as the people of Shedd.

C. C. Arnold accompanied his sister, Miss Agnes Arnold, back to her home near Turner last Sunday evening, January 28th, and returned home Monday night.

Steward P. Arnold has been removed from Vancouver Barracks to Fort Warden, Washington, where he is now attending a medical school of the U. S. army. He enlisted in the army service in December, 1917, at Portland and is now in the medical corps at Fort Warden.

BROWNSVILLE NEWS

BROWNSVILLE, Jan. 29.—(Special to the Democrat)—Brownsville feels the loss of two more estimable citizens as there were two funerals held at the Presbyterian church last Sunday.

At 11 o'clock Mr. Swearingen's funeral was held and at 2:30 Mrs. Powell, wife of W. S. Powell, was also laid to rest. Rev. McClain Davis, pastor of the church, preached both sermons, which were very sincere and helpful.

The Red Cross on the South Side held a ten cent silver tea last Saturday from 1 to 5 p. m., and the net sum of \$24 was made.

Rev. and Mrs. E. H. Edgar of Plainview spent Sunday in Brownsville among former friends, as they had lived here for several years.

The new semester of school opened yesterday. Everything started off nicely. The student body held election of officers for student government. President, Florence McClure; vice president, Helen Powell; secre-

EAT LESS AND TAKE SALTS FOR KIDNEYS

Take a glass of Salts before breakfast
If your Back hurts or Bladder
bothers you.

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish, the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.
