## JUDGE KING WILL RUN FOR SENATE

Chief Counsel for United States  
Reclamation Service Will  
Run in Primaries.

SALEM, Jan. 30.—(Special)—"Yes, I expect to be a candidate for the Democratic nomination for the office of United States Senator from Oregon, but do not expect to make formal announcement of my principles and platform until early in March," said Judge Will R. King, solicitor for the United States Reclamation Service, who is here from Washington today to argue a water case in which the government is interested.

Judge King was a little chary about talking politics, declaring he is here on official business for the government and that he does not wish the idea to get abroad that he is back putting rails into his political fence. "I think with my acquaintance with Oregon affairs and my experience in national affairs as well, I may be able to do something for the state if I am elected," Judge King continued. "When I enter the race I will expect to abide by the decision of the people and if defeated will have no complaint to make. If I win I will try to make good."

Judge King was a member of the house of representatives in the legislature from 1892 to 1894, and in the state senate from 1894 to 1898. He practiced law at Ontario for several years after running for the office of governor on the Democratic ticket in 1898, being defeated by T. T. Geer, was appointed to the supreme bench by Governor Chamberlain in 1907 and served there as an associate justice until January, 1911.

For the thrifty housewife who  
wants a better cooking oil

# MAZOLA

The American woman demands quality—even when she thinks most about economy.

That is one reason why Mazola, the pure oil from corn, for deep frying, sautéing, shortening and salad dressings is now used in thousands of homes—in preference to butter, lard or suet.

And since the Food Administration asks us to save these fats the housewife is especially glad to have a cooking oil which is so pure, wholesome and economical.

Not one drop of Mazola is wasted—it can be used over and over again as it does not transmit taste or odor from one food to another.

It is as pure and sweet as the most delicate food cooked in it—and it makes fried foods more easy to digest—free from greasiness or sogginess.

Use Mazola for your salad dressings, too—makes them especially delicious.

Get Mazola from your grocer in pint, quart, half-gallon or gallon tins. The large sizes give greatest economy. Also ask for the free Mazola Book of Recipes—or write us direct.

Your money refunded if Mazola does not give entire satisfaction.
