ITALIAN PRUNE TREES

In all grades and a complete line of Fruit, Nut and Ornamental Trees, Shrubs, Roses, etc., for this season's planting.

Existing conditions insure a continuation of the high prices paid for Prunes and all Fruit products the past year. Over one and a half million pounds of Northwest Prunes sold to the Government in one order. What will bring you better results, and at the same time aid in the food supply, than an orchard planted on suitable ground and well cared for? Growing our own trees we can furnish you good stock at the right price.
