Warner's
Corsets—

The French Have a Saying

"Everything Suits the Pretty Girl"

but the pretty girl in France always economizes somewhere else, so that she may have a pretty figure. How does she get it? She buys a good corset.

A Perfect Corset

Why, it is designed by a creative artist who knows dress styles—fitted carefully to a type of figure for which it is intended, and boned with a boning so unple that it seems no boning at all, and yet it perfectly supports.

NOSE CLOGGED FROM A COLD OR CATARRH

Apply Cream in Nostrils to
Open Up Air Passages.

Ah! What relief! Your clogged nostrils open right up, the air passages of your head are clear and you can breathe freely. No more hawking, snuffing, mucous discharge, headache, dryness—no struggling for breath at night, your cold or catarrh is gone.
Don't stay stuffed up! Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, giving you instant relief. Ely's Cream Balm is just what every cold and catarrh sufferer has been seeking. It's just splendid.

Mental and Moral growth are retarded by the borrowing of nerve force by weak or defective eyes uncorrected. The strain taken off, the symptoms disappear.
