## PUT CREAM IN NOSE AND STOP CATARRH

Tells How To Open Clogged Nos-  
trils and End Head-Colds.

You feel fine in a few moments. Your  
cold in head or catarrh will be gone.  
Your clogged nostrils will open. The sin-  
us passages of your head will clear and  
you can breathe freely. No more dull-  
ness, headache; no hawking, snuffling,  
mucous discharges or dryness; no strug-  
gling for breath at night.

Tell your druggist you want a small  
bottle of Ely's Cream Balm. Apply a  
little of this fragrant, antiseptic cream  
in your nostrils, let it penetrate through  
every air passage of the head, soothe  
and heal the swollen, inflamed mucous  
membrane, and relief comes instantly.  
It is just what every cold and catarrh  
sufferer needs. Don't stay stuffed-up  
and miserable.

Mental and Moral growth are retarded  
by the borrowing of nerve force by  
weak or defective eyes uncorrected.  
The strain taken off, the symptoms  
disappear.
