DIVIDING THE LOOT

The leader of the Central European
robber gang has started to divide the
loot. Germany naturally takes the
lion's share for herself—Russia's Ba-
tic provinces and a few other odd
pieces of territory that are likely to
prove useful. She is wise enough,
though, not to grab everything in
sight. She distributes to her confeder-
ates enough of the swag to hold
them in line despite their war-weari-
ness, in expectation of further plund-
er.

Turkey, the tireddest and sickest
member of the gang, is rewarded by
having Armenia, which Grand Duke
Nicholas conquered, restored to her.
The prospect of regaining that desol-
ated region and massacring the few
remaining Armenians is enough to
restore cheerfulness and optimism to
the gentle Turk's heart. And more
than that, he is given Russian Ar-
menia, with its rich mineral lands,
at the eastern end of the Black Sea.
There he can "launder" to his heart's
content. Germany herself will get
the minerals—but that's another story.
Weary Austria is made glad by the
prospect of control of a, and eventually
owning—if she plays the game—the
great, fertile region of the Ukraine.

Membership in the New York Con-
servative club is limited to people
having incomes over \$10,000. Of
course, every understands what dif-
ficulty folks in that class have to
make both ends meet, since the cost
of luxuries has gone up so.

Cannot Be Done.

"Nobody," said Uncle Eben, "kin talk
all de time an' do enough investigatin'
to be able to tell de truth."

Well Rehearsed.

The Bavarians in a captured trench
the moment our fellows appeared ap-
parently put up their hands, yelled,
"Mercy, kamerad," and formed up into
single files for passing into the cap-
tured trench. A soldier, a soldier,
Tommy, noticing the precision with
which they carried out the inter-
movement, exclaimed, "What organ-
izers these Fritzies are. They even
practiced surrender drill."

**HEAD STUFFED FROM
CATARRH OR A COLD**

Says Cream Applied in Nostrils
Opens Air Passages Right Up.

Instant relief—no waiting. Your
clogged nostrils open right up; the air
passages of your head clear and you can
breathe freely. No more yawning, snif-
fling, blowing, headache, dryness. No
struggling for breath at night; your
cold or catarrh disappears.

Get a small bottle of Ely's Cream
Balm from your druggist now. Apply
a little of this fragrant, antiseptic,
healing cream in your nostrils. It pen-
etrates through every air passage of the
head, soothes the inflamed or swollen
mucous membrane and relief comes in-
stantly.

It's just fine. Don't stay stuffed-up
with a cold or nasty catarrh.

CHICHESTER'S PILLS

THE DIETETIC PILLS.
Laxative, Ask your Druggist for
Chichester's Dietetic Pills.
Pills, which are made of
pure, natural, and healthful
ingredients, and are
sold by druggists everywhere.

Can you give your mirror a clear-
eyed smile? Or do you squint and
frown and stare at it? Are you sure
your eyes give you a real, accurate
impression of the object your mirror
reflects? Have your vision made
standard and know that you are see-
ing yourself as others are seeing you.

**Auto & Tractor
Owners Attention**

Statistics show that a very large percentage of the mechanics and
auto repair men are now serving their country.

Statistics also show that a large percentage of auto owners wait
until late spring to get their cars overhauled.

Consequently, if you wait until the roads are good to see if your
car is in good shape, you may have to wait a few weeks before
you can get your car done.

MORAL—Get your car in shape NOW. We will give you an es-
timate of the cost of your work, if you come and see us.

ALL WORK ABSOLUTELY GUARANTEED

Special Notice

Until the first of April we will only charge 60c per hour for all
Automobile and Tractor work. After that date we will raise to
the usual price of 75c per hour. Now is your chance to get your car
or tractor in shape for spring.

We sell the Diamond Tires and Tubes. Satisfaction is our Slogan.

**Ford
THE UNIVERSAL CAR**

More and more the enclosed motor car grows
strong in popular favor. It's natural, especially
with Ford cars, which are busy running every
day of the year—winter and summer the Ford
serves faithfully and profitably. So for a real,
genuine family car there is nothing equal to the
Ford Sedan at \$695 f. o. b. Detroit. Seats five.
Large doors, plate glass sliding windows, milk
curtains, deeply upholstered seats, latest type
ventilating windshield—a car of refined luxury
with the everlastingly reliable Ford chassis.
