HELPING THE GERMANS

There is a way in which sincere friends of Germany in this country can help the Fatherland without in any way interfering with their duty to America. In fact, it probably represents the best service they can render either country. The way is indicated in a letter written by Dr. Christ Sühler, a leader in the new German-American organization, "Friends of German Democracy."

"A democratic Germany there must be," he says, "if we are to talk peace and if we are to have a lasting peace. But guns and bullets alone will never produce the spirit of freedom in Germany."

"Germany must be reeducated, and has to relearn the very elements of a sound morality. Recall the 93 professors and what they had to offer us."

"Any American with a particle of German blood, if he had only a German great-grandfather or great-grandmother who had the good fortune to know what a free country means, should consider it a privilege to join this society and aid in carrying out its noble aim—to make Germans free citizens instead of obedient subjects."

COMMENDS CANDIDACY OF ALBANY MAN

The following is reprinted from the Suherlin Sun: "I am for Woodrow Wilson, a thorough organization and a united democracy." The preceding excellent slogan will appear after the name of Will H. Hornibrook of Albany, candidate for Democratic national committeeman, on the primary ballot. Mr. Hornibrook announces that he will stand squarely on that platform, accepting support from all elements in the party but making political compact with none. He will go before the rank and file of the democracy on his own merits and with the definite program of being rational committeeman in fact as well as in name. Mr. Hornibrook unquestionably is the right man for the position.

FEW FOLKS HAVE GRAY HAIR NOW

Druggist Says Ladies are Using Recipe of Sage Tea and Sulphur.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe. Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.
