Auto & Tractor Owners Attention

Statistics show that a very large percentage of the mechanics and auto repair men are now serving their country.

Statistics also show that a large percentage of auto owners wait until late spring to get their cars overhauled.

Consequently, if you wait until the roads are good to see if your car is in good shape, you may have to wait a few weeks before you can get your work done.

MORAL—Get your car in shape NOW. We will give you an estimate of the cost of your work, if you come and see us.

ALL WORK ABSOLUTELY GUARANTEED

Special Notice

Until the first of April we will only charge 60c per hour for all Automobile and Tractor work. After that date we will raise to the usual price of 75c per hour. Now is your chance to get your car or tractor in shape for spring.

We sell the Diamond Tires and Tubes. Satisfaction is our Slogan.

Some Corset Facts

THERE ARE, of course, good corsets and bad corsets.

A good corset molds you to its shape. You mold a poor corset to your shape.

That is why your figure improves under the influence of an artistically designed and well made corset.

MODART CORSETS Front Laced

—are designed by the most skillful and consequently the highest paid designer in the business.

IN THE MODART you get artistic proportions, good materials, and a figure-building corset that will give long wear and be shapely and comfortable until it is worn out.

THERE IS NOTHING SO CONVINCING AS A TRIAL FITTING. IN FACT IT IS THE ONLY PROOF

It can be had at no expense in our Corset Department.
