North Albany Bats High in Liberty Loan

The North Albany school district in Benton county, and especially that part of the district which lies south of the rail track, has more than raised the quota, and J. G. Medley, one of the solicitors, believes that the \$1,350 subscribed for this district is better than could be expected.

"I think that is fine for a lot of 'one horse' truck gardeners. By that, I mean most of us are only able to own one horse and some of us haven't even got the horse. Many in the district were not on the list furnished subscribed, and with few exceptions all of those rated subscribed."

Mr. Medley wishes to thank the people of the district for the courtesy shown him in the recent drive in the district.

Hear Ye! Hear Ye! The court will open at the Globe tomorrow and "The Guilty Man" will be present. Come to the trial.

Motoring to Eugene—

J. H. Dundore, manager of the Sherman-Clay Music house of Portland, and family stayed over night here, stopping at the Hotel Albany. They are motoring to Eugene to visit their son, who is attending U. of O.

Returned Home— Mrs. C. L. Kirk of Portland returned home this morning after a two-weeks' visit here with her mother, Mrs. O. P. Dannels.

We hope it will not be necessary for us to subpoena you to appear in court at the Globe Theatre to see the guilty man tomorrow.
