Entered at the postoffice at Albany,
Oregon, as second-class matter.

BUSINESS MATTER

In ordering changes of address, sub-
scribers should always give old as
well as new addresses.

Published every evening except Sun-
day. Semi-weekly published Tues-
days and Fridays.

Established in 1865

WEDNESDAY, APRIL 17, 1918.

Why all this fuss about the repub-
lican nomination for county judge?
W. R. Bilyeu is almost as certain of
being elected as he is of a unanimous
nomination at the hands of his party.

"Our enemies must be conquered
morally," says Count Czernin, the
late Austrian premier. But where
will he get the morals?

SMALL SUBSCRIPTIONS

Early reports from Liberty Loan
headquarters indicate that there is
going to be a big increase in the num-
ber of subscriptions.

This means, if the forecast is cor-
rect, that there will be considerably
more than 10,000,000 individual sub-
scribers to the Third Liberty Loan.
There ought to be, of course. But every
good American will find much
satisfaction in assurance on that point.

We might say that the number of
subscribers is really more important
than the amount of subscriptions. The
money is needed; but money can al-
ways be obtained somehow or other
to tide over an emergency. The main
thing needed is proof of genuine in-
terest in the war, genuine sympathy
with its purposes, genuine determina-
tion to win it, full support of the
government on the part of the nation
as a whole; and this great requisite
is supplied when representatives of
the big majority of Americans of ev-
ery class and every section are found
on the Liberty Loan subscription lists.

Every man and woman should bear
this in mind. Don't be deterred from
buying a bond by the fact that you
can't buy a big one. Your \$50 sub-
scription means as much, in adding up
the total number of subscribers, as
your neighbor's \$1,000 subscription.

Hawaiian lepers on the island of
Molokai have bought \$3,000 worth of
war savings stamps. How many have
you bought?

NOTICE OF SALE OF GOVERNMENT TIMBER

Notice is hereby given that subject to
the conditions and limitations of the
Act of June 9, 1916 (39 Stat., 218),
and the instructions of the Secretary
of the Interior of September 15, 1917,
the timber on the following lands will
be sold May 15, 1918, at 10 o'clock a.
m., at public auction at the United
States land office at Portland, Ore-
gon, to the highest bidder at not less
than the appraised value as shown by
this notice, sale to be subject to the
approval of the Secretary of the In-
terior. The purchase price, with an
additional sum of one-fifth of one per
cent thereof, being commissions al-
lowed, must be deposited at time of
sale, money to be returned if sale is
not approved, otherwise patent will
issue for the timber which must be
removed within ten years. Bids will
be received from citizens of the United
States, associations of such citizens
and corporations organized un-
der the laws of the United States or
any state, territory or district thereof
only. Upon application of a qualified
purchaser, the timber on any legal
subdivision will be offered separately
before being included in any offer of
a larger unit. T. 9 S., R. 2 E., Sec.

THE UNIVERSAL CAR

More and more the enclosed motor car grows
strong in popular favor. It's natural, especially
with Ford cars, which are busy running every
day of the year—winter and summer—the Ford
serves faithfully and profitably. So for a real,
genuine family car there is nothing equal to the
Ford Sedan at \$995 f. o. b. Detroit. Seats five.
Large doors, plate glass sliding windows, silk
curtains, deeply upholstered seats, latest type
ventilating windshield—a car of refined luxury
with the everlastingly reliable Ford chassis.
