WORTH'S DEPARTMENT STORE

The Work of the CORONER frequently requires the services of an Undertaker, and in the interests of both efficiency and economy, it has become generally customary to choose an Undertaker for this Office.

In connection with the firm of Fisher-Braden Company I have been engaged in the Undertaking Business in the City of Albany, for a number of years and our establishment is provided with the latest and best equipment, and is prepared to meet every requirement in that line. If elected to the office of Coroner, I would expect to the duties of the Office, the same careful attention that I have given to my own business, and at the least possible cost to the Taxpayers.

I respectfully solicit your support.

Everett C. Fisher

Candidate for Republican Nomination for County Coroner
