WESTERN PICTURE AT THE GLOBE TODAY-SATURDAY

In his newest Paramount picture "Nan of Music Mountain," which is to appear at the Globe theatre today and Saturday, Wallace Reid plays the part of Henry de Spain, a young westerner. The story deals with his adventures in cleaning up a gang of outlaws and thieves, and incidentally, his quest to avenge the murder of his father. There is a very fascinating love story, with the daughter of the worst thief in the gang as his fiancée. The way these two alone, after de Spain has at last won the girl's love, make the "gang" reform, and find a way to commence their lives together without any of the ever-present feuds or robberies, makes a vivid and unusual photoplay. "Nan of Music Mountain" was written by Frank H. Spearman and originally appeared in serial form in "Everybody's Magazine."

SALTS IS FINE FOR KIDNEYS, QUIT MEAT

Flush the Kidneys at once when Back hurts or Bladder bothers—Meat forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

MABEL NORMAND AT ROLFE TODAY

A message that is of considerable interest to women has just been given out by Mabel Normand, star of the new Goldwyn play, "Dodging a Million," by Edgar Selwyn and A. M. Kennedy, which is to be shown at the Rolfe Theatre beginning Friday.

"I trust that the revue of expensive gowns that occurs in the early scenes of 'Dodging a Million' will plant one idea firmly in the minds of the women of America," she said, "and that is that the fashion-makers of the big cities are playing them for all they are worth and mulcting enormous profits."

"It would not be so bad if they changed the styles at just about the time that old clothes wear out; but they don't. They bring their changes about just as often as they possibly can, greedy to gobble up the money that a lot of foolish women let slip through their fingers."

BEDE GETS FAVORABLE MENTION IN PRESS

COTTAGE GROVE, May 3.—(Special to the Democrat)—The following are some excerpts from the press of the Willamette Valley in regard to the candidacy of Elbert Bede for the republican nomination for joint senator from Linn and Lane counties:

Lane county can do no better than to rally round the candidacy of Elbert Bede, the able editor of The Cottage Grove Sentinel.—Brownsville Times.

Elbert Bede would fill the senatorship with ability and credit. He is a live wire. He has attended several sessions in an unofficial capacity and we are ready to bet that he knows more about the inner workings of that august body than many of the accredited members.—Junction City Times.

Watch for "The Kaiser, the Beast of Berlin."
