GLASS OF SALTS IF YOUR KIDNEYS HURT

Not less meat if you feel Backache or have Bladder trouble—Salts fine for Kidneys.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach aches, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night. To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

The work of the CORONER frequently requires the services of an Undertaker, and in the interests of both efficiency and economy it has become generally customary to choose an Undertaker for this Office. In connection with the firm of Fisher-Braden Company I have been engaged in the Undertaking Business in the City of Albany, for a number of years, and our establishment is provided with the latest and best equipment, and is prepared to meet every requirement in that line. If elected to the office of Coroner, I would expect to perform the duties of the Office with the same careful attention that I have given to my own business, and at the least possible cost to the Taxpayers. I respectfully solicit your support.
