The work of the CORONER fre-
quently requires the services of
an Undertaker, and in the inter-
ests of both efficiency and econ-
omy it has become generally cus-
tomary to choose an Undertaker
for this Office.
In connection with the firm of
Fisher-Bradley Company I have
been engaged in the Undertak-
ing Business in the City of Al-
bany, for a number of years,
and our establishment is pro-
vided with the latest and best
equipment, and is prepared to
meet every requirement in that
line. If elected to the office of
Coroner, I would expect to per-
form the duties of the Office
with the same careful attention
that I have given to my own
business, and at the least pos-
sible cost to the Taxpayers.
I respectfully solicit your sup-
port.

ination for County Coroner
