**DRINK MORE WATER  
IF KIDNEYS BOTHER**

Eat less meat and take Salts for Back-  
ache or Bladder trouble—  
Neutralize acids

Uric acid in meat excites the kidneys,  
they become overworked; get sluggish,  
ache, and feel like lumps of lead. The  
urine becomes cloudy; the bladder is ir-  
ritated, and you may be obliged to seek re-  
lief two or three times during the night.  
When the kidneys slog you must help  
them flush off the body's urinous waste  
or you'll be a real sick person shortly.  
At first you feel a dull misery in the kid-  
ney region, you suffer from backache,  
sick headache, dizziness, stomach gets  
sour, tongue coated and you feel rheu-  
matic twinges when the weather is bad.  
Eat less meat, drink lots of water;  
also get from any pharmacist four ounces  
of Jad Salts; take a tablespoonful  
in a glass of water before breakfast  
for a few days and your kidneys will  
then act fine. This famous salt is made  
from the seed of grapes and lemon juice,  
combined with lithia, and has been used  
for generations to clean clogged kidneys  
and stimulate them to normal activity,  
also to neutralize the acids in urine, so  
it no longer is a source of irritation,  
the leading bladder weakness.  
Jad Salts is inexpensive, cannot in-  
jure; makes a delightful effervescent  
lithia-water drink which everyone should  
take now and then to keep the kidneys  
clean and active. Druggists here say  
they sell lots of Jad Salts to folks who  
believe in overcoming kidney trouble  
while it is only trouble.
