REGISTRATION FOR BOYS OF 21 IS JUNE 5

PORTLAND, May 22.—(Special)—Men who have reached the age of 21 years since registration day a year ago will not be excused from registering on the coming registration day, June 5, merely because they are absent from their home districts, even though this absence is unavoidable.

The burden of seeing that registration is correctly made under the local draft board having jurisdiction is on the man himself. Failure to register is punishable by imprisonment of up to one year.

For the convenience of men unavoidably absent from their home jurisdictions, however, the government has provided the following method of registering:

The chief clerk of any draft board, or any member of the board, has been authorized to record the answers of a man unavoidably absent from his home jurisdiction, and to certify to his registration card.

After this registration card has been made out and certified, it will be given to the man applying, and it will then be up to him to see that it is received by his own local draft board in time to be recorded on registration day, June 5.

Therefore, to insure that the card reaches the local board in time, if you are subject to registration on June 5—and every man who has attained the age of 21 since registration day a year ago is subject to registration—go at once to the nearest local draft board, present the facts to them, and be registered.

Then as soon as the registration card has been turned over to you, mail it without fail to your own local board. If you do not know the designation or address of your local board, then address the card to the mayor, if you live in a city of 30,000 population or over; if you live in a smaller town, or in the country, mail it to the clerk of your county, parish, township or smaller unit, as the case may be.

Fill in, also, on the envelope so addressed, the following information:

Registration card of (Name)
 Street and number or R.F.D. No.
 City, town or postoffice

And further, in order to obtain a return mail your registration certificate, enclose in your letter a stamped self-addressed envelope. It is most important to do this, as failure to be able to produce your registration certificate on demand will make you liable.

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application of two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

CITY NEWS

John Tate in France—
 Mrs. E. A. Tate received a letter this morning from her son, John Tate, who left Albany with the 65th Artillery but was one of the boys left at San Francisco under quarantine. They have arrived in France, but haven't reached their company yet. He says the boys are all well and happy and are anxiously waiting for mail from home, and he suggested to his mother, and other mothers, that they number their letters so the boys will know how many are lost.

Here From Peak—
 M. D. Brandberry and Floyd January of Peak, Oregon, spent the morning in Albany on their way to Portland to attend a good roads meeting.

Marine Fighters Are Earning Sobriquets

PARIS, May 21.—(Special)—U. S. marines in France are rapidly acquiring new sobriquets.

The Germans, terrorized by their maniacal fighting, have dubbed these Americans "Devil Dogs."

But the French who have come in contact with the Marines refer to them as "the millionaire soldiers," due to the fact that the Marines are constantly dividing their pay with French women and children who need help. In many instances Marines have been known to give up their entire month's pay to purchase food for destitute French families.

And the marines are proud of both titles.

HE WAS DEAD BUT HE CAME TO LIFE

George Binns and Lloyd Bacon are both in line with Maud Wayne in the Keystone Comedy, "The Grave Undertaking," at the Rolfe Theatre tonight.

Maud imagines she sees Lloyd with another woman and so showers all her attention on Binns. Lloyd, feeling Maud doesn't love him any more, attempts to commit suicide and then the fun begins. Lloyd inherits a fortune and is embalmed. He comes to life and George is mistaken for Lloyd just in time to save being buried, and a fast and furious finish is the result.

The struggle of a woman for her child and the lengths to which she will go for its protection are pictured with tremendous dramatic intensity in the William Fox photoplay, "Woman and the Law," which will be the attraction at the Rolfe Theatre on Friday and Saturday. Written and staged by R. A. Walsh, the brilliant young director of the Fox forces, it presents

able to arrest on suspicion of having evaded registration for the draft.

Do not delay in appearing before the nearest local draft board to have your registration card made out for, as already emphasized, it is up to you to see that the card is in the hands of your own local draft board by June 5, and you should allow plenty of time for the card to reach the board by mail.

What a Belber Wardrobe Trunk Means to Travelers

IN OUR OPINION a Belber Wardrobe Trunk represents the last word in traveling convenience. Suits and frocks are carried fresh and unwrinkled, ready to wear without re-pressing, when the trunk is opened. Hats, waists, shoes, gloves and toilet articles have their special compartments, always accessible.

These trunks are much easier to pack than others and they come within the free baggage limit—avoiding delays and extra expense. They are exceptionally good-looking and durable and we find that they always give great satisfaction. Various styles at attractive prices. Come in and look them over.

\$35.00 and \$45.00 full size. \$27.50 steamer size.

Box Trunks \$8.50 to \$25.00

Suitcases 85c to \$20.00

Traveling Bags \$2.75 to \$22.50

a picture of timely and pertinent interest to everyone.

Based on the internationally sensational DeSaulles case, which so shocked the United States and South America, and which was discussed in every home in the country, it is said, the thrilling moment when the woman who has slain for the sake of her child faces the jury which is to decide her fate, depicts a situation to hold the most hardened play-goer spellbound.

Our Propaganda of Quality—

PERHAPS YOU HAVE NOTICED how we keep pounding on Quality in all our advertising. We're doing this because quality was never so important—and never so scarce.

BY LOWERING OUR STANDARDS of quality and value-giving we could buy cheaper clothes and make more money; but when peace comes, we believe the public will remember that we were quality- and value-givers in the face of the most critical conditions the clothing industry ever passed through.
