\$15,000 for Albany
CollegeIs this community's part of \$25,000
which must be provided to meet
the synod's requirement respecting
the College's indebtedness.

Why the Debt?

Because five years' Campaigning for a quarter-million endowment cost many thousands. Also, the government's standardization requirements cost about \$10,000 for new equipment.

How to Raise the Debt

We will ask for \$15,000 Liberty Bonds. If the people give them, good. If they will only loan them for five years, the trustees will endeavor to raise the money so as to return the bonds to the lenders at the end of five years. But GIVE THEM OUTRIGHT if possible.

Will the College Stay in
Albany?

WE THINK SO. We are asking these subscriptions on this condition. Get ready to GIVE.

Keep the College in Albany
