GENERAL WOOD'S ASSIGNMENT.

The War Department has assigned Major General Leonard Wood to duty on this side of the Atlantic. The assignment was made at the request of General Pershing, who is in supreme command of the American forces.

In the year 1903 Major General Nelson A. Miles was forcibly retired from the service of the United States Government by order of Theodore Roosevelt.

If the public is willing to forget the enforced retirement of Nelson A. Miles, a republican press should be willing to sustain General Pershing in subordinating the military ambition of Roosevelt's protegee to what he conceives to be the best interests of the American army.

NOTICE The federal food administration for Oregon and Linn county calls upon every householder to surrender at once to the local retail stores whatever wheat flour they might have in their possession. Flour will be received in any quantity, even if the sacks are broken and partly used. The state of Oregon is going on a wheatless basis, beginning with June 1, and every citizen is called upon to assist our government to the utmost of his ability during this great struggle for world-wide democracy. ALFRED C. SCHMITT, County Food Administrator. 1j3
