ONE WAY TO EGG THE KAISER WASHINGTON, June 6.—Mrs. J. A. Angrace, Galt, Cal., sets a nestegg with her garden seeds.

She has written the war garden commission, explaining her method. She plants certain seeds in boxes to give them an early start, and plants in an eggshell, buried in the soil. The shell furnishes valuable lime fertilizer to the tender sprouts.

BLIND HUSBAND IS BEST LONDON, June 6.—Blind soldier hubbies are good hubbies, and they get good-looking wives.

Sir Arthur Pearson, head of St. Dunstan's hotel for the Blind, says so from his observation of 109 happy marriages of St. Dunstan patients.

These 109 bridegrooms are better able to make livings for their families than they would have been before going to war. They are masseurs, shorthand writers, telephone operators, carpenters and market gardeners, trained in their new occupations.

Went to Montana—Wiles Devaney left yesterday afternoon for Chappel, Mont., to visit relatives.

On Business Trip—Mrs. E. D. Lloyd went to Salem this morning to spend the day transacting business.

URIC ACID IN MEAT CLOGS THE KIDNEYS

Take a glass of Salts if your Back hurts or Bladder bothers you—Drink more water.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or side, headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night. To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness. Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.
