

### STARKWEATHER URGED FOR STATE CHAIRMAN

That Hon. Harvey Starkweather, defeated candidate for the governorship, may be called upon in the interests of harmony, to serve as chairman of the Democratic State Central Committee is indicated by the following news item which is reprinted from the Oregon City Courier:

The announcement is current that Harvey G. Starkweather, of Milwaukie, recent candidate for the Democratic nomination for governor of Oregon, will be selected as the next chairman of the Democratic State Central Committee, succeeding Col. Sam White, who is called to Washington to accept a federal office.

The selection of the chairman of this influential committee lies in the hands of the successful candidates for the national and state offices in the recent primaries, and with the close association of Starkweather and Oswald West, there is a strong probability that he may secure the berth. The favorable vote of Walter M. Pierce, successful candidate for the

### CHEESE RECIPES

**Baked Bread and Cheese**  
4 medium slices of war bread  
1 whole egg  
1 egg yolk or an egg white  
Butter  
1 cup cottage cheese  
1-4 teaspoon soda  
2 cups of milk  
1-4 teaspoon salt  
Cayenne pepper  
Onion juice  
Parsley and pimento, or picallilli or Chili sauce.  
Nuts if desired.

Butter the bread and cut slices in squares or diamonds. Place a layer, buttered side down, on the bottom of a large shallow buttered baking pan. Dissolve the soda in a little milk and with it mix the cheese to a soft cream. Add parsley and pimento or sauce. Spread a thick layer of the cheese lightly over the bread and cover with the rest of the bread, buttered side up. Beat the eggs well, mix them with the milk and seasonings, and pour them over the bread. Bake in slow oven until a knife thrust into the custard comes out clean. If the milk is warmed and added gradually to the beaten egg, and the baking dish is set in a pan of hot water, the custard cooks more quickly and is less likely to curdle through becoming over-heated.

### MOVIE SHOWS MEN GOING OVER THE TOP

Some of the most elaborate battle scenes ever recorded by the motion picture camera, with the possible exception of shots actually made at the front, are shown in the Triangle play, "The Gown of Destiny," starring Alma Rubens, at the Rofe Theater tonight. This play was adapted from Earl Der Riggars' Saturday Evening Post story, "Each According to His

From a mechanical standpoint, this model has reached a standard of excellence that is not surpassed in any motor car. Vanadium steel is used for every part that requires unusual strength. It has ample power—proper spring—suspension—correct weight—smart in appearance—well finished. It has unusual records in gasoline economy.

**NEW FEATURES**  
The motor is of an improved valve-in-head design. The cooling is by water pump. The oil pump has been changed to the gear type. The pump is placed in the forward end of the cylinder casting.  
Tire carrier is provided and is fastened at the rear of the body.

**ADDED REFINEMENTS**  
Wheels are fitted with demountable rims; one extra rim is furnished.  
Other features of the New "Four-Ninety" are: New Oil Pressure Gauge; New Improved Radiator; foot rail; robe rail; tilted windshield; one-man top; improved type curtains, folding in-to top; flaps on top of each door for protection of body and the finish; pockets on the inside of each door.

You should investigate Model "Four-Ninety" Economy Records.
