A WOMAN SENATOR?

The lady from Montana in the
House of Representatives may have a
fellow-legislator in the senate after
the next elections. A Nevada woman
has commenced her campaign as inde-
pendent candidate for United States
senator. She has opened her head-
quarters and is said to have been
promised the support of speakers of
national reputation.

She has announced a win-the-war
program and is in favor of every step
necessary to carrying it out. She con-
siders state and national prohibition
part of such a program.

Folks who have mistrusted all along
that women were aiming at public of-
fice may perhaps shake their heads
fearfully over the prospect of a wo-
man senator. But the rest aren't go-
ing to worry particularly, even if she
is elected. If she has the ideals and
brains and ability that fit her for the
senatorial job, let her make use of
them.

To Visit Son—

Mrs. Rebecca Morris went to Port-
land this morning to visit her son, Ira
G. Morris and attend the Pioneer's
meeting.

To Spend Week-End—

Miss Mina Swyter went to Portland
this morning to spend the week-end
with friends.

Former Albany Man Dies—

Word was received here this morn-
ing that Henry Fronk, a former Al-
bany man, died in Portland on Wed-
nesday. He will be buried today in
the Mt. Scott Cemetery.

Labor and material are essential to
victory; use both sparingly.

NOTICE.

Notice is hereby given that the un-
derigned, Recorder of the City of Al-
bany, will receive sealed bids up until
Wednesday, June 26, 1918, at the hour
of 7:30 o'clock p. m. of said day for
the sale of one team of mules, the
property of the City of Albany. Said
bids to be accompanied by certified
check for ten per cent. of the amount
bid. The right being hereby reserved
to reject and all bids.

Recorder of the City of Albany.

DRINK A GLASS OF REAL HOT WATER BEFORE BREAKFAST.

Says we will both look and feel
clean, sweet and fresh
and avoid illness.

Sanitary science has of late made
rapid strides with results that are of
untold blessing to humanity. The lat-
est application of its untried research
is the recommendation that it is as
necessary to attend to internal sanita-
tion of the drainage system of the hu-
man body as it is to the drains of the
house.

Those of us who are accustomed to
feel dull and heavy when we arise,
splitting headache, stuffy from a cold,
foul tongue, nasty breath, acid stom-
ach, can, instead, feel as fresh as a
daisy by opening the sluices of the sys-
tem each morning and flushing out the
whole of the internal poisonous stag-
nant matter.

Everyone, whether ailing, sick or
well, should each morning before
breakfast, drink a glass of real hot
water with a teaspoonful of Limestone
phosphate in it to wash from the stom-
ach, liver and bowels the previous
day's indigestible waste, sour bile and
poisonous toxins; thus cleansing,
sweetening and purifying the entire
alimentary canal before putting more
food into the stomach. The action of
hot water and Limestone phosphate on
an empty stomach is wonderfully in-
vigorating. It cleans out all the sour
fermentations, gases, waste and acidity
and gives one a splendid appetite for
breakfast. While you are enjoying
your breakfast the phosphated hot
water is quietly extracting a large vol-
ume of water from the blood and get-
ting ready for a thorough flushing of
all the inside organs.

The millions of people who are both-
ered with constipation, bilious spells,
stomach trouble, rheumatic stiffness;
others who have sallow skins, blood
disorders and sickly complexions are
urged to get a quarter pound of lime-
stone phosphate from the drug store.
This will cost very little, but is suf-
ficient to make anyone a pronounced
crank on the subject of internal sanita-
tion.
