Waterloo Sunday School Rally Sunday JUNE 30th

Big Annual All Day Service

Last year was the first meeting of this extraordinary rural Sunday school gathering. It was probably the largest open air meeting of its kind ever held in the county. Six hundred people participated in the gathering, and many of these reported it the "greatest day of its kind they had ever seen."

This year the meeting will be held on the last day of this month—Sunday, June 30th. It is under the auspices of the American Sunday School Union. The program will begin at 10:30 a. m. with song service accompanied by an orchestra.

The program will be varied and full of instruction and interest. Dinner will be served by the ladies from the baskets brought by the people.

One of the most valuable features of the day will be an address by Dr. W. P. White of this city on "Inspiration and Authority of Scripture Versus Hun False Philosophy and Theology." Dr. White will show the peril of Prussian Kultur and disclose the cause of the war. Last year the following rural Sunday schools attended in a body: Crowfoot, Fairview, Happy Home, Mt. Hope and Greenville Unions, Middle Ridge, Sodaville, Berlin, LaComb and Waterloo Sunday schools. These will all again be in attendance and all Sunday schools and people are cordially invited.

We would suggest that the Sunday Schools of Albany send representatives. There will be a Service Flag period and any town or city Sunday school sending a delegation may help decorate the service flag with stars representing their boys at war from their school.

Be Present at Morning Song Service

A SIDE-SPLITTING COMEDY There are few better comedians in motion pictures than Roscoe (Fatty) Arbuckle whose latest comedy, "Moonshine," will be seen at the Globe Theater tonight and Saturday. In this amusing picture, Mr. Arbuckle is seen as a revenue officer who is sent with an assistant to the Blue Ridge Mountains to wipe out a band of moonshiners. It is the broadest of broad burlesque and all who have seen Mr. Arbuckle in his previous creations, will be sure to find this comedy fully up to the Arbuckle-Paramount standard.

First Congregational Minister for County

Rev. Alfred Cornett of Lebanon filed notice today of being ordained as a congregational minister at Lebanon. Rev. Cornett is the only Congregational minister in the county at present, and the only one for many years.

His first official act will be the marriage of his great-nephew, Fred L. Cornett of Lebanon, to Miss J. Lucile Swank, who lives near Albany, to whom a marriage license was issued today.
