SHELburn NEWS NOTES

SHELburn, June 19.—(Special)—Mrs. W. H. McLain, who has spent the past week at Macleay, has returned home.

Iva McCrea and husband are visiting her parents.

Several parties are hauling wood to Shelburn, preparing for winter delivery.

J. W. Hiron has had a crew at work tearing down the Foster Hill.

Carl Pollis and wife is visiting at Lee George's.

A. P. Hiron set out 100 English walnut trees last year. They barely kept alive and made no growth to speak of. This year probably half have nuts set on, which shows that the English walnuts are early bearers.

Rev. Edgar of Plainview has purchased the Blatchford store and is moving his stock of goods from there here, which, added to the present stock, will make a good-sized stock of goods for the Shelburn store again.

Jim Miller, who has been down with the mumps, is getting better.

A. P. Hiron and family and Alfred Powell and family motored to Albany

on business.

At the annual school meeting Mrs. A. P. Hiron was reelected director and A. Shank reelected clerk.

W. H. McLain loaded a car of wood Monday.

Alfred Blatchford is on the sick list.

Last Sunday a family reunion was held at Rev. W. H. McLain's, those present being four brothers of Mrs. McLain of Belfontaine, her daughter and family of Macleay, and Mr. Russell and son Homer, all having come by auto and returned that evening.

Our men in the trenches and in the sub chasers are doing their part. Are you? Buy War Savings Stamps to your utmost capacity.

Addition to Catholic

Church at Lebanon

LEBANON, June 21.—(Special)—Work has been started in Lebanon on the addition to the Catholic church. This is to be erected in the rear of the present building, and will be 54x54 feet, two stories, and a basement. The basement will be fitted up as an auditorium and gymnasium, the first floor will be an addition to the main church, and the second floor will be used as the parsonage. The present parsonage is to be sold. The cost of the new structure is \$4,000 and work on the foundation only will be done now, the remainder being built this fall.

Second Fiddle.

One of those international gatherings which consist mainly of dignity and broken English was in progress, and a certain polite and much honored Frenchman had been presented to the mayor of the town in which the gathering was being held.

"Ah, permit me ze honor of giving you my felicitations, and to your talented family likewise. Ze music, it ees a beautiful gift, and I hope to haf ze honor of harking your performance."

"Garden, m'sieu," said the mystified innkeeper, "but you are mistaken, I know nothing of music."

"Ah, but that is not you call your hang back—your modesty. I haf hear it several couple of times zat your wife plays ze first violin and zat you play ze second fiddle to 'er."

LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody will Know.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

Diamond
SQUEEGEE TREAD TIRES

Demanding Every Diamond We Can Make

EVERY Diamond Tire our big factories can produce is demanded by enthusiastic motorists who have previously driven on Diamonds.

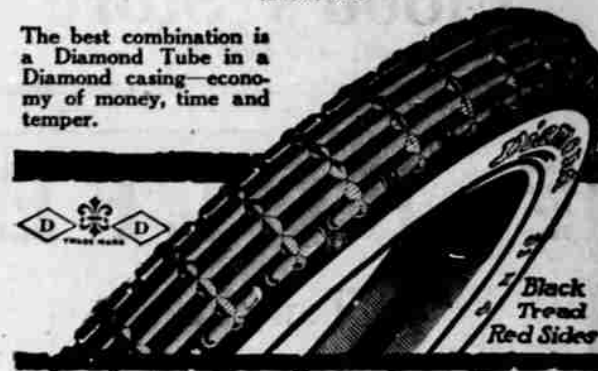

More than 2,000,000 Diamond Tires are in use—more than one for every three cars in America. Every one of these Diamonds has displaced other makes.

We feel that such popular demand is stronger proof of Diamond super-value than all the claims and guarantees we could make.

PERUNA Best All Around Medicine Ever Made

I Hope You Will Publish This Letter

Mr. W. H. Edgar, 49 Cooper St., Atlanta, Georgia, writes:

"I suffered for fifteen years with rheumatic symptoms. Peruna cured me and I think it is the best all around medicine ever made. I hope you will publish this letter for the benefit of others who suffer."

Those who object to liquid medicines can procure Peruna Tablets.

Everyone Should Drink Hot Water in the Morning

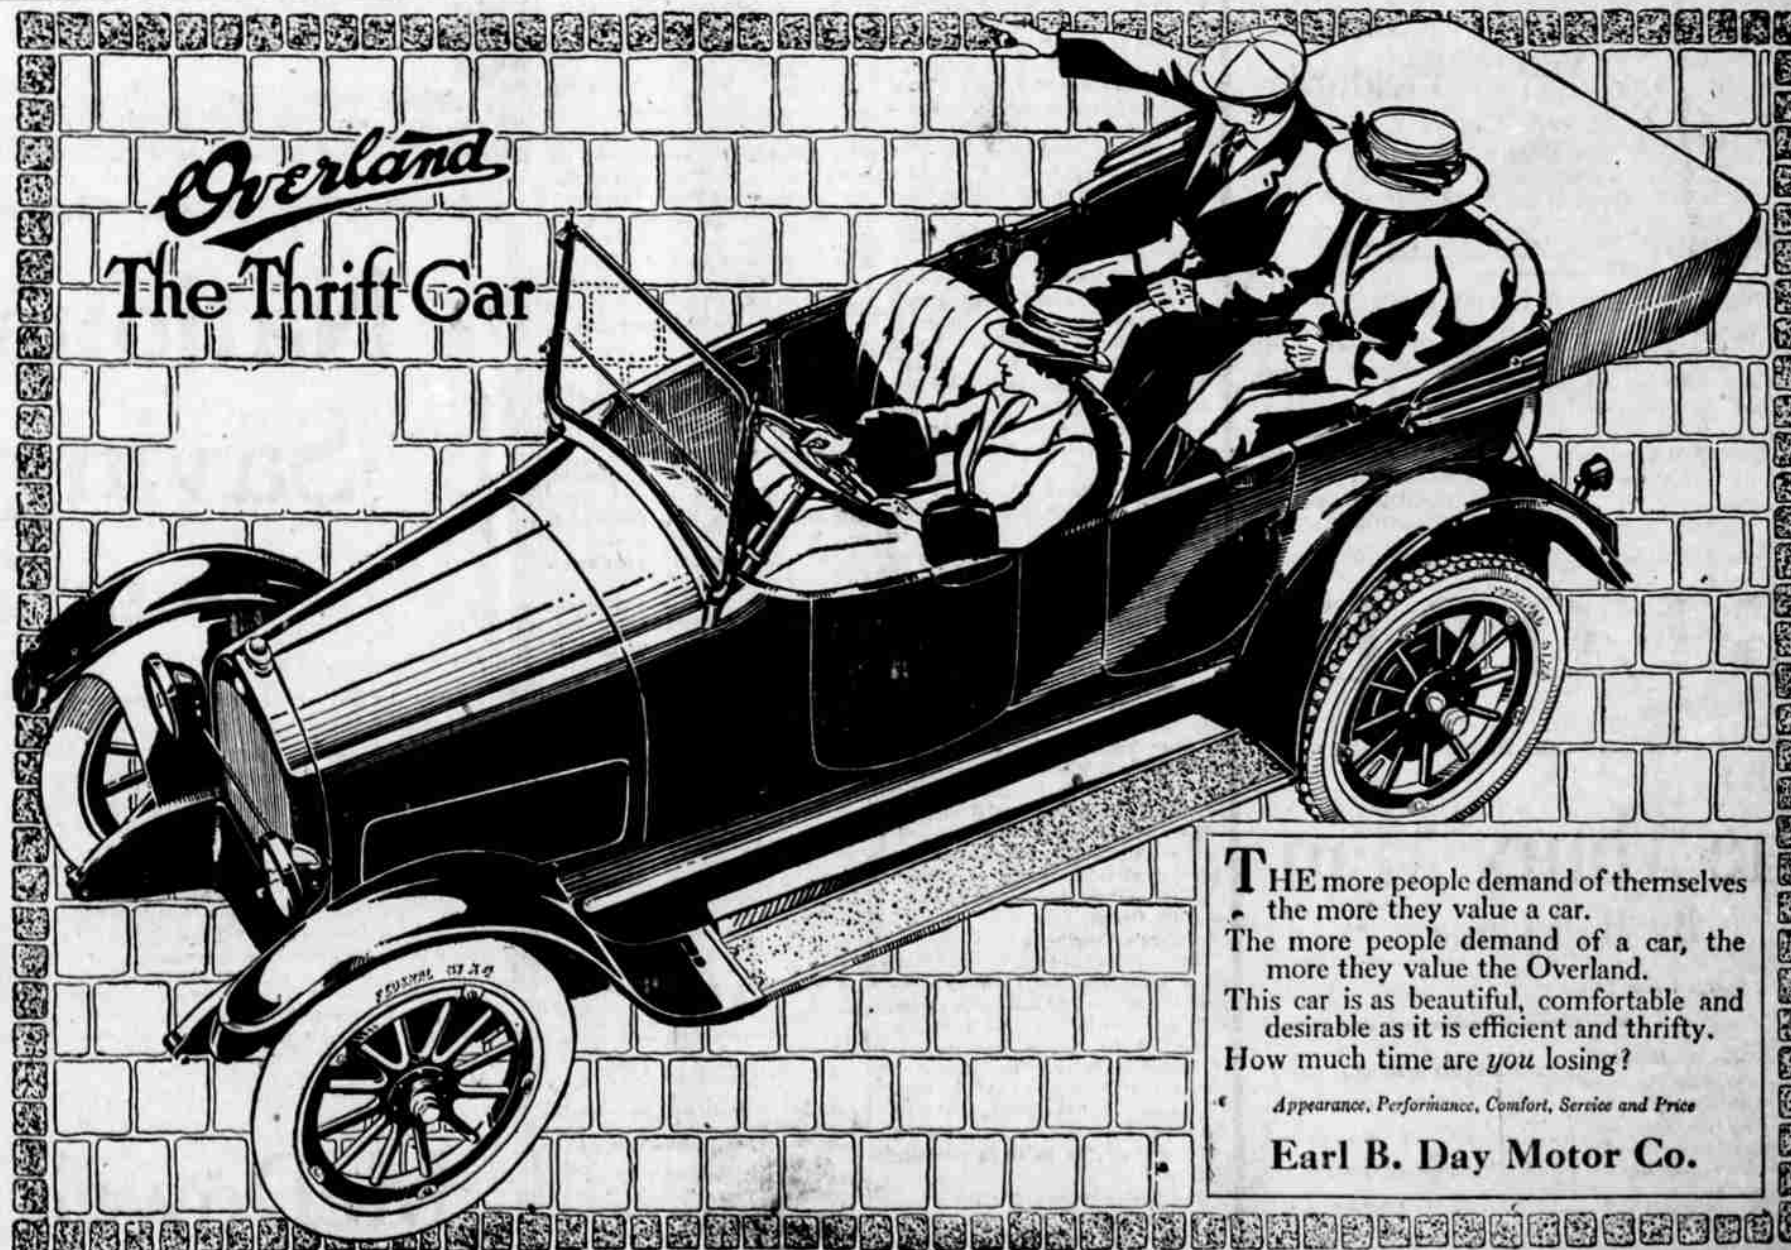

Wash away all the stomach, liver, and bowel poisons before breakfast.

To feel your best day in and day out, to feel clean inside, no sour bile to coat your tongue and sicken your breath or dull your head, no constipation, bilious attacks, sick headache, colds, rheumatism or gas, acid stomach, you must bathe on the inside like you bathe outside. This is vastly more important, because the skin pores do not absorb impurities into the blood, while the bowel pores do, says a well-known physician.

To keep these poisons and toxins well flushed from the stomach, liver, kidneys and bowels, drink before breakfast each day, a glass of hot water with a teaspoonful of limestone phosphate in it. This will cleanse, purify and freshen the entire alimentary tract, before putting more food into the stomach.

Get a quarter pound of limestone phosphate from your pharmacist. It is inexpensive and almost tasteless, except a sourish twinge which is not unpleasant. Drink limestone phosphate every morning to rid your system of these vile poisons and toxins; also to prevent their formation.

To feel like young folks feel: like you felt before your blood, nerves and muscles became saturated with an accumulation of body poisons, begin this treatment and above all, keep it up! As soap and hot water act on the skin, cleansing, sweetening and purifying, so limestone phosphate and hot water before breakfast, act on the stomach, liver, kidneys and bowels.
