RIVERSIDE ITEMS

Chester Anderson is spending a few
weeks at home, having strained his
back while working at Elmira.
Glenn Eastman was among the
boys leaving for Camp Lewis Monday
morning of this week.

Mrs. Burbank returned Friday from
a visit to Fayetteville.

The Thursday club met with Mrs.
Geo. Atkeson. A pleasant afternoon
was spent in the usual manner. Choice
refreshments were served. Those
present were Mesdames Jas. Caldwell,
Gourley, Muller, Stellmacher, Wm.
Caldwell, Miller, Dodge, Misses Ber-
tha Beck, Florence and Olivine East-
man, Miss Agnes Anderson of Port-
land and Mrs. Dave Anderson of El-
mira were guests of honor.

Miss Bertha J. Beck spent the week-
end with her parents in Corvallis.
Miss Agnes Anderson is spending
her vacation with her mother, Mrs.
Jennie Anderson.

County Agriculturalist Smith and
family were callers at the home of
Archie Miller Thursday.

Mrs. Mildred Groves, who is here
visiting, returned from a trip to Camp
Lewis, Wednesday evening.

Several people of this neighborhood
attended the picnic at Buell's Grove
Wednesday.

A farewell dance was given Satur-
day evening at the home of Mr. and
Mrs. Leslie Stellmacher, in honor of
Glenn Eastman.

W.S.S.**DANCE AT DEVER**

A Red Cross dance will be given in
the warehouse at Dever on Saturday
night, June 29th. Music by Heister's
Orchestra. Everyone invited. 24j25

W.S.S.**READ OUR WANT ADS**

WHEN YOU WAKE UP DRINK GLASS OF HOT WATER

Wash the poisons and toxins from
system before putting more
food into stomach.

Says inside-bathing makes any-
one look and feel clean,
sweet and refreshed.

Wash yourself on the inside before
breakfast like you do on the outside.
This is vastly more important because
the skin pores do not absorb impuri-
ties into the blood, causing illness,
while the bowel pores do.

For every ounce of food and drink
taken into the stomach, nearly an
ounce of waste material must be
carried out of the body. If this waste
material is not eliminated day by day
it quickly ferments and generates
poisons, gases and toxins which are
absorbed or sucked into the blood
stream, through the lymph ducts which
should suck only nourishment to sus-
tain the body.

A splendid health measure is to
drink, before breakfast each day, a
glass of real hot water with a tea-
spoonful of limestone phosphate in it,
which is a harmless way to wash
these poisons, gases and toxins from
the stomach, liver, kidneys and
bowels; thus cleansing, sweetening
and freshening the entire alimentary
canal before putting more food into
the stomach.

A quarter pound of limestone phos-
phate costs but very little at the drug
store but is sufficient to make anyone
an enthusiast on inside-bathing. Men
and women who are accustomed to
wake up with a dull, aching head or
have furred tongue, bad taste, nasty
breath, sallow complexion, others who
have bilious attacks, acid stomach or
constipation are assured of pro-
nounced improvement in both health
and appearance shortly.
