EARL B. DAY MOTOR CO.

is ever under the watchful care of Joe Goodboy, a faithful Indian.

While his boy is yet a baby, Wiley discovers gold on his clearing. He looks forward to the job of making his son a rich man. His bank balance grows.

A pair of corrupt politicians conspire to rob him of his claim on a technicality. Bob Wiley finds himself dispossessed by the agent of that government he had fought and bled for. He goes to Washington for redress, is turned down, and returns to find his land pre-empted and his boy dead. Filled with bitterness against his own country, he seeks revenge by joining the bandit forces of Pancho Zapilla, who is preparing to raid Lawton's Ridge.

Entering this town as a spy, Wiley traps the American commander of the troops posted there into following up a false scent and leaves Lawton's Ridge open to attack by the bandits. His conscience awakens, however; he thwarts the bandits, saves the town, finds new happiness in adopting an orphan lad, and renews his allegiance to the flag.

SOCIAL

Charmingly planned and carried out, was the social evening at which the members of the Neos Numphe club were guests Friday at the home of Mr. and Mrs. Rollin Hackleman. The rooms were effectively adorned with a variety of seasonable blossoms, nasturtiums and roses predominating. A covered dish supper was served on the attractive veranda which was laden with quantities of blossoms. A musical program consisting of the following numbers was given during the course of the supper: vocal duet by Mr. and Mrs. Earl Canfield, song by Mrs. Glen Willard, readings by Mrs. Clinton Strainey, and Victrola music. Later dancing was the gay diversion.

A pretty little affair was the supper party of Thursday evening, when a group of friends enjoyed supper together in the attractive tea garden of the Harry B. Cusick home. A pleasant time was passed by the guests present.

A house party composed of Miss Flora Mason, Miss Bertha Lee, Miss Gertrude Buehler, Miss Katherine Piggot and Miss Jessie Paynter will spend a few weeks' outing in Gearhart.

An informal recital was given Wednesday afternoon in the Wilson Music Studio, presided over by Mrs. Frances Wilson. Several excellent numbers were enjoyed by those who attended. This closed the season for recitals to be given by Mrs. Wilson, who will enjoy a vacation during the summer months.

The Ladies of the Christian Science church entertained this afternoon with a party, celebrating the 82d birthday of Mrs. C. Simpson. A large number of guests gathered at the Simpson home to spend the afternoon socially. A lunch was served during the afternoon.

GRAY AND RED TUBES

"Horse Sense" Economy

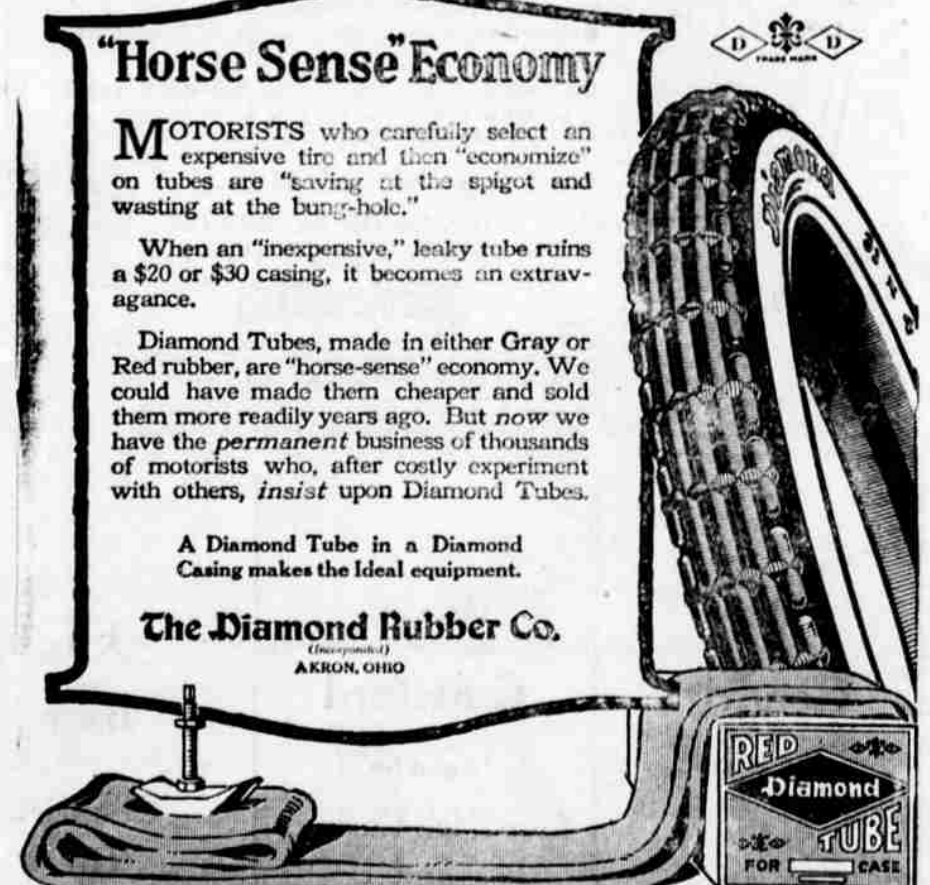

MOTORISTS who carefully select an expensive tire and then "economize" on tubes are "saving at the spigot and wasting at the bung-hole."

When an "inexpensive," leaky tube ruins a \$20 or \$30 casing, it becomes an extravagance.

Diamond Tubes, made in either Gray or Red rubber, are "horse-sense" economy. We could have made them cheaper and sold them more readily years ago. But now we have the permanent business of thousands of motorists who, after costly experiment with others, insist upon Diamond Tubes.

A Diamond Tube in a Diamond Casing makes the ideal equipment.
