A large and delightful affair was the reception of Monday evening given in honor of Rev. and Mrs. D. L. Morgan, at the Christian church. Beautiful decorations of roses and sweet-peas were profusely arranged about the rooms where guests thronged to pass an enjoyable evening. During the earlier part of the evening toasts were given by the different Albany ministers. Several musical numbers completed the evening's program. Punch was served during the evening, and a social time followed.

On Wednesday evening of this week Miss Aletha Cummings was hostess in a most charming manner to the girls of the Beta Gamma crowd. Following a theater party, the Cummings home was the scene of a jolly slumber party.

**BEST IN THE LONG RUN**  
**Why the Scotch Highlanders Wear Kilts**

BECAUSE the Highland Scot, wading through the wet heather of the mountains, found Kilts kept drier. Before the Roman soldier, himself a Kiltie, came, Lowland and Highland folk wore Kilts. When modern life turned the Lowlands to trousers, the wet mountain heather held the Highlands to Kilts. But his wet heather, had GOODRICH been founded, wouldn't have worried the Highlander.

**GOODRICH SERVICE VALUE TIRES**

Goodrich would have met his needs with Hipress boots and waterproof garments, just as Goodrich met the need of the automobile for the right rubber tire. Twenty-two years Goodrich has shaped the destiny of automobile tires, bringing them from crude, clumsy affairs, to the graceful GOODRICH SERVICE VALUE TIRES. And all Goodrich inventions were directed toward one end, SERVICE VALUE to the user. For Goodrich recognizes but one tire value; what a tire is worth to the motorist on his car and on the road, in comfort, economy, and long mileage. Goodrich manufacture puts SERVICE VALUE in Goodrich Tires, both SILVERTOWN CORDS, and BLACK SAFETY TREADS, and Goodrich Test Car fleets prove it is there. Demand the SERVICE VALUE TIRES. R. F. ## Did You Get One?

If you did you have plenty of company, for every delinquent Democrat subscriber received a statement of his account during the past two weeks. Don't frame it. Frame a cancelled check. It is more ornamental and will help The Democrat meet the increased cost of newspaper production.

## Advertising Momentum

Many institutions expect advertising to perform miracles, to rehabilitate a depleted list of customers in a few weeks or harvest a golden crop of dollars. Advertising is not based on wizardry any more than on quackery. Its results are cumulative. There are no miracles in advertising, but money so invested, if invested properly and the opportunities thus created properly followed, will yield handsome returns. An inquiry from a prospect who has never transacted business with your organization is the most vital and the most potent factor in the success of your business. That inquiry represents growth, development new business, and new inquiries are worth attention, study and care—the full measure of your service. The aggressive and consistent advertiser whose educational publicity attracts, will find that the business has acquired a new momentum, the effect of which will be apparent in succeeding years. —THE FINANCIAL WORLD

### Get the Habit of Drinking Hot Water Before Breakfast

Says we can't look or feel right with the system full of poisons.

Millions of folks bathe internally now instead of loading their system with drugs. "What's an inside bath?" you say. Well, it is guaranteed to perform miracles if you could believe these hot water enthusiasts. There are vast numbers of men and women who, immediately upon arising in the morning, drink a glass of real hot water with a teaspoonful of limestone phosphate in it. This is a very excellent health measure. It is intended to flush the stomach, liver, kidneys and the thirty feet of intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, become food for the millions of bacteria which infest the bowels, the quick result is poisons and toxins which are then absorbed into the blood causing headache, bilious attacks, foul breath, bad taste, colds, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments. People who feel good one day and badly the next, but who simply can not get feeling right and urged to obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to make anyone a real crank on the subject of internal sanitation. Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so limestone phosphate and hot water act on the stomach, liver, kidneys and bowels. It is vastly more important to bathe on the inside than on the outside, because the skin pores do not absorb impurities into the blood, while the bowel pores do.
