Marine Prospect Had

All Diseases Goin'

SALT LAKE, July 8.—(Special)—
The curiosity of Henry James, who
applied for enlistment in the U. S. Ma-
rine Corps here, remains unsatisfied.
James was taken before Dr. J. G.
Hildebrand, examining physician, and
after the usual physical examination,
was told that he failed to meet the
requirements.

"What's the matter with me?"
queried the prospective Hun destroy-
er.

"You've got scoliosis, phthisis and
scurvy," was the surgeon's reply.

The would-be marine blushed to be
told so frankly what prevented his be-
coming a Devil Dog and turned to go
out when the doctor shot a few hot
parting words after him.

"Not only that—you're troubled with
slight astigmatism, otitis media and
chronic furunculosis."

"Gosh," was all the lad could say
as he fled in confusion.

Come and see how many rounds it
took before "THE FAMILY SKELE-
TON" got the knockout. Charles Ray
will show you.

**THIS IS THE CELEBRATED
ANKER-HOLTH SELF-BALANCING
CREAM SEPARATOR**

What
This
Separator
Will
Do.

It will increase your dairy profits 30 to
50 per cent if you are skimming your milk
by the old hand method.
IT WILL SAVE YOU TIME, as the bowl,
discs, and linings can be thoroughly
cleaned in five minutes.
IT WILL SAVE LABOR, as it is the easi-
est running cream separator in the world.
IT WILL SAVE REPAIR EXPENSE, be-
cause it has fewer mechanical parts than
any other separator.
IT IS THE ONLY SEPARATOR where the
skimmed milk is delivered from the top
of the bowl and the cream from the bot-
tom. No intermixing.
IT IS SELF-OILING, and so clean and
sanitary that it could even be placed in
your parlor without disagreeable results.
It is built with the accuracy of a watch
and the strength of a motor.
THE ANKER-HOLTH SEPARATOR
WILL SKIM MORE CREAM OF A
HIGHER QUALITY, that will make more
butter than any other cream separator on
the market, and we have the proof to sus-
tain this statement.
We want you to know more about this
great Cream Separator. Write for descriptive
catalogue.

**LESS MEAT IF BACK
AND KIDNEYS HURT**

Take a glass of Salts to flush kidneys
if bladder bothers you—Drink
lots of water.

Eating meat regularly eventually pro-
duces kidney trouble in some form or
other, says a well-known authority, be-
cause the uric acid in meat excites the
kidneys, they become overworked; get
sluggish; clog up and cause all sorts of
distress, particularly backache and mis-
ery in the kidney region; rheumatic twin-
gins, severe headaches, acid stomach, con-
stipation, torpid liver, sleeplessness,
bladder and urinary irritation.

The moment your back hurts or kid-
neys aren't acting right, or if bladder
bothers you, get about four ounces of
Eps Salts from any good pharmacy;
take a tablespoonful in a glass of water
before breakfast for a few days and your
kidneys will then act fine. This famous
salt is made from the acid of grapes
and lemon juice, combined with lithia,
and has been used for generations to
flush clogged kidneys and stimulate them
to normal activity; also to neutralize the
acid in the urine so it no longer irri-
tates, thus ending bladder disorders.

Eps Salts cannot injure anyone;
make a delightful effervescent lithia
water drink which millions of men and
women take now and then to keep the
kidneys and urinary organs clean, thus
avoiding serious kidney diseases.
