One Diamond For Every Three Cars In America

MOTORISTS are buying Diamond Tires in such numbers that over 2,000,000 are now in service—easily, one for every three cars in America.

This patronage is significant when you consider that the big demand for Diamonds comes from motorists who have used them in previous years and insist upon Diamond mileage again.

Such demand can be commanded only by tires of super-value.

A Diamond Tube is likely to outwear your car itself. Made in Gray and Red, in sizes to fit any make of tire.

NEW FOX STAR AT ROLFE THEATER SUNDAY

The dainty, clever Peggy Hyland, now a William Fox star, will soon be seen here in a brand new spy photoplay called "The Debt of Honor." It will be shown at the Rolfe Theater Sunday for a two days' run.

The Fox organization is to be complimented on gathering this beloved English girl into its fold. And Mr. Fox has given to her a story that brings out the beauty of screen art for which this girl has become so well known.

Honor in this play has a sweetheart of her own. He helps her uncover the spy and saves a senator from disgrace as well as aiding the country.

MADGE KENNEDY DOFFS BRIDAL VEIL TO BE CROOK

No sooner does a film player score a success in parts of a certain kind than he or she begins to burn with ambition to do something different. Any number of emotional heroines hanker to skim through light comedies and everyone knows that comedians yearn to play Hamlet or Macbeth. So it is with Madge Kennedy, star in Goldwyn pictures.

HE WAS MAULED, HAULED, BOLLED AND BOWLED BUT HE GOT HER ALL THE SAME

A man stood on the railroad track, he flagged the railroad train; the train it stopped and Douglas hopped when he got a good stick crack in the jaw from the conductor for stopping the Limited.

"The Matrimaniac," at the Globe Theater tonight, is one of the most amusing, thrilling and enterprising of all Douglas Fairbanks' attempts.

There is nothing that this agile and winning performer doesn't do to get the girl of his dreams.

KEYS OF THE RIGHTEOUS WITH ENID BENNETT HERE

The very newest Thomas H. Ince production, "The Keys of the Righteous," a Paramount picture, is to be seen at the Globe tonight, starring Enid Bennett who has, because of a lawsuit which she only recently won, been enjoying some time of enforced idleness. Her friends will be glad to learn that "The Keys of the Righteous" gives Miss Bennett ample opportunity to use her great talents not only as an emotional ingenue, but also in parts of the picture as the winsome comedienne that only she can be. The excellent supporting cast includes Earl Rodney, George Nichols, Josef Swickard, Carl Forms, Gertrude Claire, Lydia Knott and Melbourne MacDowell.

ADDITIONAL SOCIETY

(Continued from Page Three)

On Wednesday afternoon the Ladies' Aid Society of the Grace Presbyterian

church held their annual picnic at Bryants' Park, on Pennywinkle. After a short business session a social time was enjoyed. This was followed by a picnic dinner.

Mrs. C. W. Sears acted as hostess Tuesday evening of this week when she entertained the members of the R. B. club at her home. Election of officers took place at this meeting. Later a social time followed with '500' as the main diversion. A dainty lunch brought the evening to a pleasant close.

Mrs. Arthur Brasfield of Berkeley, California, is spending the week in Albany as the guest of her sister, Mrs. Thomas Hopkins.

Mrs. A. P. McCoy is entertaining as her house guest Miss Etta Wren. Miss Wren is a prominent teacher at The Dalles, where she makes her home.

On next Tuesday evening at 6 o'clock the Albany Society of Portland

will meet at the Oaks for a special session. Luncheon will be taken. These gatherings have always been enjoyable affairs, bringing together a good many former Albany people, of whom there are now more in Portland than ever before, due to the call for help in shipbuilding.

Albany people generally will be welcome at the picnic.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed with Sulphur It Brings Back Its Beautiful Lustre at Once.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Neither prepare the recipe at home or get from any drug store a bottle of "Wyneth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustreous, and you appear years younger. Wyneth's Sage and Sulphur Compound is a grateful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
