

SOCIETY

BEATRICE SANDERS
Society Editor
Bell 481-J.

Leading the social activities of the week, a most exquisitely appointed dinner was charmingly presided over Wednesday evening by Miss Flora Mason, in compliment to her house guest, Miss Leonide Fleury of San Francisco. The beautiful rose garden of the Mason home was the scene of this Al Fresco affair. About 20 society maids and matrons encircled the attractively appointed table. Reflecting the charitable spirit, now predominate at most social functions, dainty little forget-me-not bouquets, official symbols of the Belgium relief fund, were used as place cards.

During the evening several delightful vocal solos were given by Mrs. A. J. Rahn of Salem, Miss Isabelle Young and Mrs. Harry B. Cusick. Miss Louise Wieder told several little "Darkie" stories, in her clever and interesting way.

Mrs. Thomas Hopkins entertained several out-of-town guests this week with a delightful house party. On Tuesday Mrs. E. C. Small, mother of Mrs. Hopkins, Mrs. George Pierce, Misses Helen and Dorothy Pierce, Mr. and Mrs. A. J. Rahn, all of Salem and Mrs. Seigel of Portland motored from Salem and were guests at the Hopkins home. Mrs. A. S. Brasfield and Robert Brasfield of Berkeley, Calif., are also guests there. The party enjoyed a picnic dinner Tuesday evening and later a social time.

On Wednesday afternoon the crowd drove to Lebanon where they picnicked and held a swimming party.

The guests returned to their homes on Thursday, after spending a delightful time in Albany.

With Miss Katherine Bain and Miss

Bernice Duncan as honor guests, Miss Margaret Cathey was hostess to a picnic in Bryants' Park Monday evening. A number of girls were guests to spend a jolly time, a wienie roast and bonfire and usual picnic diversions. Miss Mae Ballack and Miss Ruth Livingston chaperoned the party.

Another charmingly-arranged affair for which Miss Katherine Bain and Miss Bernice Duncan were motifs, was the attractive Alfresco dinner par given Saturday evening in the Cusick ten-house, with Miss Salome Cusick as hostess. The garden was a charm; a fine spot for the maids to gather, and the remainder of the evening was spent in music and dancing.

The girls of the Alpha Nu club were guests of Miss Grace McCalley Wednesday night when she gave a slumber party at her home. After a gay social time the girls started early Thursday morning and hiked to the falls, where they enjoyed a delicious breakfast around a bonfire. Those composing the party were the Misses Kamilla Kroschel, Viola Kroschel, Thelma Burnett, Lois Nebergall and Grace McCalley.

The Pythian Sisters held an interesting meeting Tuesday evening at which they held installation of officers. A social time followed the business session, and a dainty lunch was served.

A very enjoyable afternoon was passed on Wednesday by the Ladies' Missionary society of the Methodist church when Mrs. G. T. Hockensmith, Mrs. D. S. Smith and Mrs. John Mc-

Chesney were hostesses at the home of the latter. A short business session took up the early part of the afternoon followed by a social time and light refreshments.

In honor of Harold Gregory, who left this week for California, the boys' class of the Baptist church for which Mr. Wm. Morgan is teacher, were entertained at their teachers' home. A jolly afternoon passed in games was brought to a close with refreshments.

Mr. and Mrs. A. J. Hodges were dinner hosts this week on Tuesday evening at a prettily appointed affair complimenting Mrs. J. Princevall, Mrs. J. Arthur and Mr. O. A. McFarland of California, who are touring the coast in a car. The handsome table appointments were completed with a centerpiece of rosebuds. A pleasant evening followed.

A swimming party, one of the season's most popular diversions, was enjoyed Tuesday evening by the members of the Neos Nymphs club, at Low Dive. After a dip in the Willamette the crowd took its picnic lunch in Bryants' Park, where the remainder of the evening was passed.

Mrs. John McChesney was hostess Tuesday afternoon to the members of the W. C. T. U., when they passed a pleasant afternoon at her home. A business meeting was followed by a social hour.

An exceptionally interesting meeting of the Presbyterian Ladies' Missionary society was held this week on Wednesday afternoon at the home of Mrs. J. R. Hulbert, Mrs. A. W. Gilbert of San Diego, California, who was a complimented guest, gave an excellent talk. Mrs. F. G. Franklin read a paper, Mrs. G. E. Sanders gave a talk and Miss Mary Jones sang several vocal selections.

Mrs. E. W. Langdon of Portland, who has been visiting at Fortess Monroe, will be the guest of Mrs. Edward D. Cusick for several weeks.

Delightfully planned and carried out in every detail was the "afternoon" at the W. H. Davis home for which Miss Katherine Burrow of Portland was hostess, honoring Miss Leonore Fuller, also a guest at the Davis home. The rooms where the guests passed a pleasant afternoon were effectively adorned in a profusion of Shasta Daisies and greenery. The dainty pink and white color scheme was carried out thru the delicious lunch. The affair was a surprise honoring the birthday of Miss Fuller. Numbered among the guests were Mrs. E. L. Huston and Elizabeth, of Hepner, Ore., Mrs. Fred Bloom, Mrs. J. R. Stewart, Miss Hallie Meyers, Miss Pauline Bloom, Miss Burrows and Miss Fuller, and Mary, Henrietta, Jane and Platt Davis.

A picnicking party will enjoy the evening on the bank of the Willamette this evening, with bonfires and other diversions typical of the season. A delicious supper will also be served.

Leaves for Missouri—
Frank Wiles left yesterday for Joseph, Missouri, for a visit with relatives.

THE HONOR SYSTEM
AT THE ROLFE TODAY

A Fox photoplay that presents a vivid picture of prison life, contrasting the old prison system with its inhuman terrorism, its beatings, starvings, murders, suicides, with the modern method which recognizes that every convict has a soul worthy of redemption, will be shown at the Rolfe today.

Startling scenes taken in Yuma and Florence prisons, Arizona, were filmed. There is a powerful love drama

SAYS HOT WATER WASHES POISONS FROM THE LIVER

Everyone should drink hot water with phosphate in it, before breakfast.

To feel as fine as the proverbial fiddle, we must keep the liver washed clean almost every morning, to prevent its sponge-like pores from clogging with indigestible material, sour bile and poisonous toxins, says a noted physician.

If you get headaches, it's your liver; if you catch cold easily, it's your liver; if you wake up with a bad taste, furred tongue, nasty breath or stomach becomes rancid, it's your liver. Sallow skin, muddy complexion, watery eyes all denote liver uncleanness. Your liver is the most important, also the most abused and neglected organ of the body. Few know its function or how to release the dammed-up body waste, bile and toxins. Most folks resort to violent calomel, which is a dangerous, salivating chemical which can only be used occasionally because it accumulates in the tissues, also attacks the bones.

Every man and woman, sick or well, should drink each morning before breakfast a glass of hot water with a teaspoonful of limestone phosphate in it, to wash from the liver and bowels the previous day's indigestible material, the poisons, sour bile and toxins, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Limestone phosphate does not restrict the diet like calomel, because it can not salivate, for it is harmless and you can eat anything afterwards. It is inexpensive and almost tasteless, and any pharmacist will sell you a quarter pound, which is sufficient for a demonstration of how hot water and limestone phosphate cleans, stimulates and freshens the liver, keeping you feeling fit day in and day out.

BEST IN THE LONG RUN

The Submarine is Centuries Old

CONTRARY to common belief, seacraft traveled under water at least 300 years, and probably 3000, before John Holland's submarine.

James I., in 1621, took a submarine trip several miles long, in a submarine invented by Cornelius Van Drebbel. Van Drebbel's craft was a true navigating submersible, made water-tight by greased leather, and propelled by twelve oarsmen, who rowed with oars fitted through water-tight holes in the hull.

Though the submarine in its development has appeared in a hundred fantastic forms, the automobile tire has matched it in freakish inventions.

Goodrich's clear-sighted direction was needed to hold it to principles of usefulness, and produce—

GOODRICH SERVICE VALUE TIRES

Goodrich loyalty to practical service was logical, for Goodrich values tires solely by SERVICE VALUE.

Goodrich judges tires solely by what they do for you on your car and on the road in *easy riding, economy, dependability and durability.*

Therefore, Goodrich, in the twenty-two years it has directed the destinies of automobile tires, has worked and watched to put SERVICE VALUE into its tires, **SILVERTOWN CORDS or BLACK SAFETY TREADS**, and to keep it there.

SERVICE VALUE in tires is in harmony with the thrifty spirit of the times. Be thrifty by demanding Goodrich Service Value Tires.
