On Friday evening of this week a delightful evening was passed by the Neos Nymph club members and their husbands at the home of Mr. and Mrs. Edward Vierck. The crowd motored out early in the evening and spent a jolly time in old fashioned games and diversions. The rooms were attractively adorned with a profusion of summer blossoms, sweetpeas and roses predominant. HAVE DARK HAIR AND LOOK YOUNG

Nobody can Tell when you
Darken Gray, Faded Hair
with Sage Tea.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

The announcement of the engagement of Miss Anne Dawson to Lieut. Gordon K. Van Gunders, brought quite a ripple of surprise among her many friends in Albany and other towns. The wedding will take place Tuesday of next week, in Newport, at the Episcopal church, an informal military wedding. Miss Dawson has been spending the summer in Newport where she became engaged to Lieut. Van Gunders, who is in military service in the aviation division, and has been in Newport for the past few months.
