Corvallis Boy Wounded—

The name of Lieutenant Albert G. Skelton of Corvallis was mentioned in the casualty list yesterday as wounded in action, degree undetermined. Lieutenant Skelton was a prominent O. A. C. student and was known in Albany.

Mullie Gray Gassed—

A letter was received yesterday from Walter Gray, better known here as Mullie Gray. He was reported wounded in action two months ago. In his letter he states that he was not wounded but gassed, and was getting along fine and expected to be out in a few days.

activity of another gimper.

"Doing stunts over Archies is the worst insult you can give the Germans and they never fail to pepper you. If you are wise, you will zoom off for home about that time, or you're liable to be en panne, which means the same as cuckoo. Cuckoo is a slang for broken down somewhere.

"It's all right if some Heinie hasn't shot out of his belly at you, unexpectedly, before you could zigzag out of range. Zigzagging usually fetches him, as we say. Anyway, you want to be near enough to the line, when your motor cuckoos on you, so you can glide back. Then the mechanics can come out and get their eskimo, as they call the aviators in their fur suits, and if you haven't scared Heinie to death, maybe there'll be a pink tea at the rendezvous next day when the can is humming again."

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.
