Mr. and Mrs. Merle Warner left Monday noon for a trip up the Columbia Highway, returning Thursday accompanied by Mrs. Anderson of McMinnville, who will visit a few days with Mrs. Hastings and Albany friends.

The Thursday Club was entertained this week by Mrs. Ed Doty. Owing to the busy season, many were absent, but those present reported a very pleasant time. A dainty lunch was served by the hostess. The next meeting will be with Mrs. Eastman.

The following ladies were present: Mesdames H. Stewart, Dent Stewart, Muller, Leslie Stellmacher, Wm. Stellmacher, Eastman, Masterson, and Misses Dora Stewart, Emma Laubner, Florence and Olivine Eastman.

Madison Rice, who was associated with Alfred Bates in a creamery at Medford for two years, visited at the Bates home Friday on his way to Portland, where he has a position with the Hazelwood Co.

#### RICH MAN POOR MAN SUPERB NEW PICTURE

The thousands of admirers of delightful Marguerite Clark who have seen her "Bab" pictures will be interested in the forthcoming presentation at the Globe tonight and Wednesday of "Rich Man Poor Man," a picturization of Maximilian Foster's successful novel, by George Broadhurst, Paramount release.

This admirable picture deals with the fortunes of Betty Wynne, a charming girl who after many years in a boarding house, enters the home of John K. Beeston, coldhearted, selfish financier, as his grandchild.

Betty brings love and sunshine into his life and he refuses to permit her to leave him even after he discovers

Olive Thomas in Scene from Triangle Play, "An Heiress for a Day."  
At The Rolfe tonight

Mrs. Carl Sox and Velma Davis left today for Newport where they will spend several days.

Within Sound of the Guns.  
A new sound arose in the darkness, a sound which held for me a thrill as vital and incomparably more alluring than the hint of distant battle. It rose slowly, a rich, mellow undulation, which stirred every fiber, and then quavered, descended and broke off. We stood motionless, listening with all our ears, and again it came, unmistakably, from the depths of the misty woods. My companion smiled at me in triumph. His first surprise had come off promptly, even ahead of time, for it was only now growing dusk. We could see in imagination the drooped tail, the hollow-checked muzzle raised skyward—a wolf uttering that cry which of all sounds is most symbolic of the northern wilderness; an hurlement plaintive and lugubrious. I could not believe my ears, that here in the heart of France, with in sound of the guns at the front, I had heard the voice of a wild wolf.—William Beebe in Atlantic.

Use Found for Opera Hats.  
From a French inventor comes an advertising sign in which an opera hat is its housing. The sides of the hat are cut so that letters are removed that spell out the words of the sign. These letter holes are covered over with a thin light fabric of the same color as the hat. When unlighted the letters remain invisible, but with one or more battery lamps placed inside and lighted, the hat becomes a conspicuous advertisement. The batteries may be carried in the pocket and wired under the coat to the neck and up to the hat over the hair on the back of the head. The current can be flashed on and off with a switch in the coat pocket. This is a real novelty in advertising signs and one which would be sure to attract attention.—Popular Science Monthly.

## DRINK MORE WATER IF KIDNEYS BOTHER

Eat less meat and take Salts for Back-ache or Bladder trouble—Neutralizes acids.

Uric acid in meat excites the kidneys, they become overworked, get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy, the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad. Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

## The War Industries Board Says: Print Paper Must Be Conserved

The Democrat has on its list a considerable number of subscribers who receive the paper at points outside of Linn County. Under the new regulations the postage rates for newspapers to points outside of the county are doubled. The Democrat therefore finds that it will be financially unable to carry on its list any subscriber from such outside points who is not paid cash in advance and the names of such subscribers will be eliminated from the subscription list during the present month. The management suggests that you send in your check at once if you wish the paper continued
