This Electric Range
Will Save Coal for Uncle
Sam and Time and
Labor for You

Careful tests have shown that 262.7 pounds of coal are required by a central station to supply a family with cooking current equivalent to 800 pounds of coal consumed in a solid fuel range.

An electric range will do your cooking better and save on your food bill. The elimination of the fuel and ash problem saves a world of time and labor.

Arrange to install an electric range in your home today.

Capt. Powell Expected—

Mrs. F. M. Powell and children have arrived in Albany for a month's visit. Captain Powell expects to get a furlough and join them here for the last two weeks. Capt. Powell has been located at Fort Warden and his family has been there with him.

Born—

To Mr. and Mrs. Ernest McKinney of North Bend, a boy, Kenneth Ernest. The McKinneys lived in Albany for many years until recently, when they went to North Bend.

Barristers' Wigs.

Barristers' wigs first came into vogue about 200 years ago. Up to the end of the seventeenth century judges and sergeants at law alone had any distinctive dress.

Under Queen Anne the queen's counselor adopted the court dress and silk gown which made up the mourning of the period, together with the full-bottomed wig then usually worn by all persons of position.

Thereupon the outer bar started wearing a modest short wig, with strings of horsehair tied up at the end, in imitation of the fashion of tying the back hair up into a pigtail.

Some judges, we are told by a legal historian, found these wigs "comical," and would not allow barristers wearing them to plead in court. —London Chronicle.

MABEL NORMAND IS HERE IN JOAN OF PLATTSBURG

The appearance of Mabel Normand as star of the new Goldwyn patriotic comedy-drama, "Joan of Plattsburg," by Porter Emerson Browne, constitutes an event of more than usual interest in the world of the silent drama. In each of her previous Goldwyn successes she has displayed an entirely different phase of "the new Mabel Normand." At the same time she has retained all her old fascination and charm.

Ranging all the way from hoydenish comedy to inspired patriotism and beautiful self-sacrifice, the play affords Miss Normand what is unquestionably the most interesting and worth-while opportunity of her singularly successful career. "Joan of Plattsburg" comes to the Globe Theater Thursday only.

FEW FOLKS HAVE GRAY HAIR NOW

Druggist Says Ladies are Using
Recipe of Sage Tea and Sulphur.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe. Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.

FAMOUS VAUDEVILLE ARTIST WAS ONCE A GANGSTER

How many of those who have been flocking to the theater to hear the golden notes of the Harmony Lad, latest vaudeville sensation, realize the wonderful Irish singer was once a dangerous gangster of the East Side? It was only a sweetheart's devotion and unswerving loyalty, combined with a woman's wit and desire for good, that led to the reformation of the one-time gangster.

She is a wonderful little girl, is Rhoda Regan, in Triangle's great photoplay, "The Shoes That Danced." All night long she danced to save her sweetheart, charming Pauline Starke, Wallace McDonald and Dick Rosson play the leads. "The Shoes That Danced" will be shown at the Rolfe Theater Wednesday and Thursday.

TRACTOR AND IMPLEMENT DEMONSTRATION TO BE AT PORTLAND SEPT. 5, 6, 7

You will see in actual operation practically every tractor manufactured or sold on the Pacific Coast.

The big, medium, small-sized tractors. Some with wheel drive, some with crawler drive.

The right size for orchard use, for vineyard use, for use on the big grain ranches.

Behind the tractors will be pulled Moldboard and Disc Plows, Peg-tooth, Spring-tooth and Disc Harrows, Scrapers, Land Levelers and Subsoilers, virtually every kind of tractor-drawn implement.

Something of great interest to the countryman, also the townman, will be doing every hour during the demonstration.

The forenoon of each day will be given over to private demonstration

of tractors and tractor implements. The afternoons will be devoted to public demonstrations, showing every tractor in operation plowing in one field. This demonstration will be of special interest as it will show comparative work of large and small tractors working side by side. There will be special tests under

the auspices of the Oregon Agricultural college which will show the draw-bar horsepower tests on unplowed ground and other features of various tractors. Said tests will be approved by the Society of Agricultural Engineers.
