## For Tiny Tots Correctly Formed Shoes

Properly Fitted

IN THE CHOICE of Footwear for your little ones, your chief concern should be with the Proper Fitting. The little bones are easily bent, and growing as quickly as they do, children's feet may very easily become deformed. We have made a special study of the requirements of growing feet and it is our proud claim that every pair of Little Folks' Shoes we sell is fitted in Nature's way.

### Senator Day Here—

Senator I. N. Day of Portland passed through Albany yesterday on his way to Saddle Butte where he will inspect the rock quarry.

### Fingers Mashed—

A man by the name of Matlock who was working on a threshing machine, lost the tip of one finger and the other was badly mashed when the finger got caught in a part of the machinery.

The alive-to-the-times parent gives his son a college education. Mt. Angel College, St. Benedict, Ore. Address, A. D. Meier.

### Indian Names.

The Indians up in the far North country call the beaver ah-mick, says Dan Beard in Boys' Life, the boy scouts' magazine. By the way, when boy scouts lay out their council grounds at camp and divide it up as it should be, according to the north, south, east and west winds around the circle, they should remember that the Indian name for north is Qilew-nong, for south is Show-nein-nong, for east is Waba-nong, and for west is Gable-nong.

Now, you know the Indian ceremony always begins with blowing the smoke of the pipe to the four winds, and then to the sky, which is O'quite, and then to the earth, which is A'kee, and the warrior lights his pipe with Skoo-day, that is, with fire, but if he is tow-necke with the Skoo-day he starts a forest fire (tow-necke means careless).

To be a good scout, one must never be tow-necke; to be patriotic one must never be tow-necke.

What your son needs is a college education. Mt. Angel College, St. Benedict, Ore. Address A. D. Meier.

## The War Industries Board Says: Print Paper Must Be Conserved

The Democrat has on its list a considerable number of subscribers who receive the paper at points outside of Linn County. Under the new regulations the postage rates for newspapers to points outside of the county are doubled. The Democrat therefore finds that it will be financially unable to carry on its list any subscriber from such outside points who is not paid cash in advance and the names of such subscribers will be eliminated from the subscription list during the present month. The management suggests that you send in your check at once if you wish the paper continued
