HENRY B. WALTHALL MAKES

DEBUT AS PARALTA STAR

Henry B. Walthall, celebrated star, will appear at the Rolfe Theater for two days commencing Friday in his first Paralta play, "His Robe of Honor." Adapted from the book by Ethel and James Dorrance, this play has a vital, fascinating story, and is told convincingly and with novel treatment. The picture asks the question: "Can a disreputable lawyer be redeemed and become an upright judge?" and then answers it with breathless intensity, thrilling situations, romantic moments and climaxes of smashing force.

Miss Mary Charles will be seen playing opposite Walthall in the role of Roxana Frisbee, adventuress, who assists the shy lawyer in his underhand methods until his conscience is awakened by the noble nature of Laura Nelson, a girl of high instincts.

BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost. Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.
