ANOTHER WAR DEPRADATION

CEDAR POINT, O., Aug. 23.—U. I.—Profits have been all shot to pieces in the shooting gallery business says Joe Thatcher, chief gun tender at a gallery in an amusement park there.

A half-dozen marksmen from Camp Perry had just been in.

"They spent a dollar," said Joie, "and broke \$5 worth of clay targets."

DECENT BOCHE DOG

WITH THE YANKS, Aug. 23.—"The boches over there have a dog that ought to be cited by us," say the boys of a certain American regiment.

Every time there is a big German raid, this dog appears running along the German trenches. Every time, he has warned the Americans, who are ready for the boches. Every raid has been repulsed and has been expensive to the Jerries.

The only possible explanation is that the dog belongs to an officer of high rank who inspects the trenches before big raids.
