WOMEN WIN MEDALS

LONDON, Aug. 15.—By Mail—The first Waac to win the military medal is Unit Administrator Margaret A. Campbell Gibson.

She was in charge of a Waac camp which was completely demolished by bombs during an enemy air raid. The same award has been made to five nurses.

An ammunition dump had been fired by enemy bombs. The only available ambulance for the removal of the wounded had been destroyed.

These nurses, in a neighboring camp, heard of the disaster and drove up with three ambulances right into the danger zone.

KELLERMANN FILM COMING TO ROLFE THEATER FRIDAY

The art of making motion pictures has reached a point where it seems almost impossible that the stupendous sets and thousands of players involved have been assembled for the mere purpose of photography to be destroyed and disbanded after the camera crank has finished turning. Such is the case with the William Fox production, "The Daughter of the Gods," which will be shown at The Rolfe Friday and Saturday.

The star dives from the cliffs, is thrown into a raging torrent with hands and feet bound, and dashed against the rocks by the waves, rides to battle in heavy armor, and performs other feats without apparent injury. Her hair-raising activities furnish most of the thrills.

It almost convinces the sane adult of the existence of super beings because of the great scale of the undertaking and the realism of the photography. The spectacle would be entirely impossible of reproduction on the stage, for only the camera can create the necessary illusion and capture the wide horizon, which gives the play its fascination.

Next Sunday And Monday

Within the frontiers of a desolate, Godforsaken jungle on the dark, silent coast of Africa this giant white man, reared by an ape mother, roams and kills. He slays the lion and tiger with his bare hands, the jaguar flees at his terrible cry, the massive elephants fear him. The dreadful gorilla and stealthy panther are but babes in his hands. All the terrible beasts of the jungle skulk away at his approach. Then comes the beautiful white girl, and

Tarzan of the Apes

takes her to his breast and covers her face with kisses.

The War Industries Board Says: Print Paper Must Be Conserved

The Democrat has on its list a considerable number of subscribers who receive the paper at points outside of Linn County. Under the new regulations the postage rates for newspapers to points outside of the county are doubled. The Democrat therefore finds that it will be financially unable to carry on its list any subscriber from such outside points who is not paid cash in advance and the names of such subscribers will be eliminated from the subscription list during the present month. The management suggests that you send in your check at once if you wish the paper continued
