HAMILTONS' FALL OPENING Albany's Great Style Event

We are now amply able to show you a bountiful array of COATS AND SUITS which convey the height of Style and Service. The wise woman will pay great attention, this year, to the quality as well as the style of her Fall Coat or Suit. She will choose durable, all-wool quality materials, tested and preshrunk, and thoroughly tailored in each detail. We advise early buying this year, as later on it will be impossible to get wool in the garments, and so far we have been extremely fortunate in securing so many Princess, Palmer and La Vogue garments, of the old high standards.

Millinery

You will be delighted with the splendid array, which is exhibited, and, too, you will be surprised, considering the rising costs, to find a hat to suit you so well at a really reasonable price.
