ALBANY BAKERY FULLY COVERED BY INSURANCE

H. J. Fitch this morning authorized the Democrat to state that he expects to have his bakery in operation within the next month and that the business will be conducted either in the old Home Restaurant building on Second street or in the building which he occupied before the fire.

On his stock and fixtures Mr. Fitch carried \$7,500 in insurance which he says will fully protect him in the fire loss with what he is able to reclaim from the reins. He formerly carried \$10,000 insurance but cancelled a \$4,000 policy some two or three months ago.
