CITY NEWS

Gilchrist in England—

According to a letter received this morning by Mrs. Thomas Gilchrist, her husband is at Yatesbury Wilts, England. He expected to leave the next day on a furlough for London to stay from Saturday until Monday night. London is about 80 miles from where he is stationed. Mr. Gilchrist's opinion is that the war will soon be over. He is with the 159th aero squadron, American air forces.

Double Their Quota—

Mr. and Mrs. George A. Hindes visited Liberty Loan headquarters yesterday and doubled their rating, which was \$2,000 in bonds. If there were more people like Mr. and Mrs. Hindes,

Albany wouldn't have any trouble raising her quota.

Weather Report—

Yesterday's temperature ranged from 46 to 59 degrees. The river is at 8 foot and rising, and the rainfall for yesterday was 1.45 inches.

Seriously Sick in Eugene—

Frank Jewell, a former Albany butcher, is seriously sick at his home in Eugene. He took the Spanish influenza and it has turned into pneumonia. His sisters, Misses Pearl and Gertrude Jewell, left last night for Eugene to assist in taking care of him. Bert Jewell, a brother of Frank, of Mill City, drove to Albany last night and went to Eugene today.

Here on Business—

Griff King of Portland is transacting business in Albany, and while here visiting former Albany friends.

BUY A FOURTH LIBERTY BOND

By H. V. Neel

Hark, a voice to you appealing,
Men of Freedom, Thought and Feeling,
Innocents inspire you, kneeling,
"Buy a Bond."

Hoops of Hell are right deserving,
Sparing not the sick or dying,
Broken hearts in you are crying,
"Buy a Bond."

For our boys who, in the fight,
Stand for U.S. for God and right,
Keep their home fires burning bright,
"Buy a Bond."

In the name of Liberty,
Strike the blow to make men Free,
Help in with the Victory,
"Buy a Bond!"
