FOR COUNTY TREASURER

The candidacy of Miss Lenore Powell of Brownsville for the office of County Treasurer has perhaps attracted more interest and enthusiasm than that of any other candidate.

Making no charges against her opponent but urging that it is contrary to the rules of the political game to keep one man in office indefinitely, Miss Powell is obtaining a strong following and her election by a substantial majority is freely predicted.

Miss Powell was born in Linn county and is a daughter of the late County Commissioner H. R. Powell. She is a college graduate, an accountant of more than ordinary ability, has taught in the public schools of Portland and is at the present time teaching at Brownsville. She is undoubtedly capable of performing the duties of the office to which she aspires and is making the kind of a campaign which is almost certain to meet with success.

THE SUBMARINE FOILED

The capture of the Belgian seacoast by the allies marks the definite defeat of the U-boats. They were already doomed by the combined efforts of the allied navies and the American shipbuilding plants. Thru these agencies, we had reached a point where U-boats were being sunk at least as fast as they were built, and where new merchant shipping was being constructed faster than the old could be destroyed.

Operating from Ostend and Zeebrugge, they had a great advantage in their proximity to the great steamers-lanes by which the allies supplied their battlefront. Hampered by the recent British attacks on those bases, the Germans have now lost them entirely. Henceforth they can send out their raiders only from Wilhelmshaven or Helgoland. Thus they must traverse the rough stretches of the North Sea before they reach their old hunting-ground. Their bag, naturally, will be much smaller. The U-boat crews, already demoralized by the growing hardships and difficulties of their murderous business, will have less heart for it than ever.

It is possible, too, that the German admiralty will amend its inhuman methods because of the rebuke administered by President Wilson, in order to get better peace terms. If not, a time is coming when the allied navies will proceed literally to the fulfillment of Winston Churchill's threat, and "hunt the rats out of their holes."

W. R. BILYEU

Democratic Candidate for County Judge

If elected I will, during my term of office, make my best efforts to also charge all the duties of the office according to law and in the most efficient manner. I favor the maintenance of as many necessary good roads in Linn County as will be consistent with a wise and reasonable economy to the taxpayers and without undue discrimination. I am in favor of strict economy in all county affairs and will maintain a careful vigilance over the administration of estates of deceased persons and the guardianship of minors, and favor reasonable necessary assistance to destitute orphan children. —Paul Aiv.
