Shoes That Fit

from TOP to TOE

The shoe that fits Mary may never fit Jane; and the shoe that fits John may not fit James. Even with a "fit guaranteed" it is experience and skill that makes fit what it should be and is—here. Care and cautious endeavor makes us as sure as sunrise of satisfactory shoe fitting in this store. Same with the girls—same with the boys. Unless the shoes fit they can't have the shoes. Not if they buy here.

58 JEWISH WORKERS GOING "OVER THERE"

Col. Barker Bids Godspeed to the Graduates of Training School.

The whole-hearted co-operation between the seven great organizations working for the happiness and welfare of our soldiers and sailors was recently illustrated at the graduation exercises of the tenth class of the Jewish Welfare Board's Training School in New York. Col. William S. Barker, who went to France representing the Salvation Army with the first contingent of our troops and has been "over there" fifteen months, was the principal speaker and wished the fifty-eight Jewish workers of the class Godspeed, while Louis Marshall, the prominent Jewish attorney and philanthropist of New York, lauded the work of the Salvation Army among the boys at the front.

"What our fighting boys need is inspiration and heart and character in those who are there to help them," declared Col. Barker. "You will represent in the camps and overseas the ideals and standards of the Jewish faith, and it is up to you above all things to be consistent in your religious practices. Practice what you preach. That, I am sure, has been the secret of our own success. If you live up to the principles of your faith and give what you have to give from a heart big with love, the boys will respect you, whether they be Protestant, Catholic or Jew."

The newly graduated field workers will make a total of 290 men doing field work in our camps and naval training stations under the auspices of the Jewish Welfare Board. The Board has about fifty "huts" in the various camps and maintains centers in all large cities where soldiers and sailors of all faiths are welcomed. A headquarters has recently been established in Paris, and 100 men are being recruited here for overseas work. There are now nearly 125,000 Jews serving in the army and navy.

THE Best Advertisement in the World

IT IS THE TICK of the Clock. It says only one short word, but it says that word over and over.

Here the tick is loud there low.

But always millions on millions of clocks are saying it.

It never stops.

It speaks to a baby's ears, and to the dying hours of an old man.

It speaks in time of joy; in time of grief; in time of idleness, or struggle and stress; in time of peace, or time of WAR.

It never stops.

Always it is telling the old, old story of the clock, "Time Flies."

Always it is repeating the stern lesson of life—"The World Forgets."

It never stops.

And it has made the clock the best known thing in all the world.

Such is the power of reiteration.

Such is the power of persistence.

Such is the power of constancy.

Call the advertising roll of honor, the world-famous advertising, alive to answer.

None ever stopped. All have told their story over and over, and still are telling it.

Advertising stopped is advertising dead.

Advertising brought back from the grave must foot again the long, old road from the very beginning.

NOW is the time to advertise—the only time.

Advertise tomorrow when tomorrow is NOW

Listen to THE TICK of the clock, as it tells you: "Time flies. The world forgets."

NOW is the time to advertise.
